Volume XVIII

Dedication

TO THE CITIZENS OF

MT. GILEAD SCHOOL DISTRICT

WHO HAVE SO NOBLY AND UNSELFISHLY

MADE IT POSSIBLE FOR

MT. GILEAD TO HAVE THE

MAGNIFICENT SCHOOL BUILDING IT NOW HAS

WE, THE SENIOR CLASS

OF NINETEEN TWENTY-FOUR

DO AFFECTIONATELY DEDICATE

THIS VOLUME OF

"THE MIZPAH"

FOREWORD

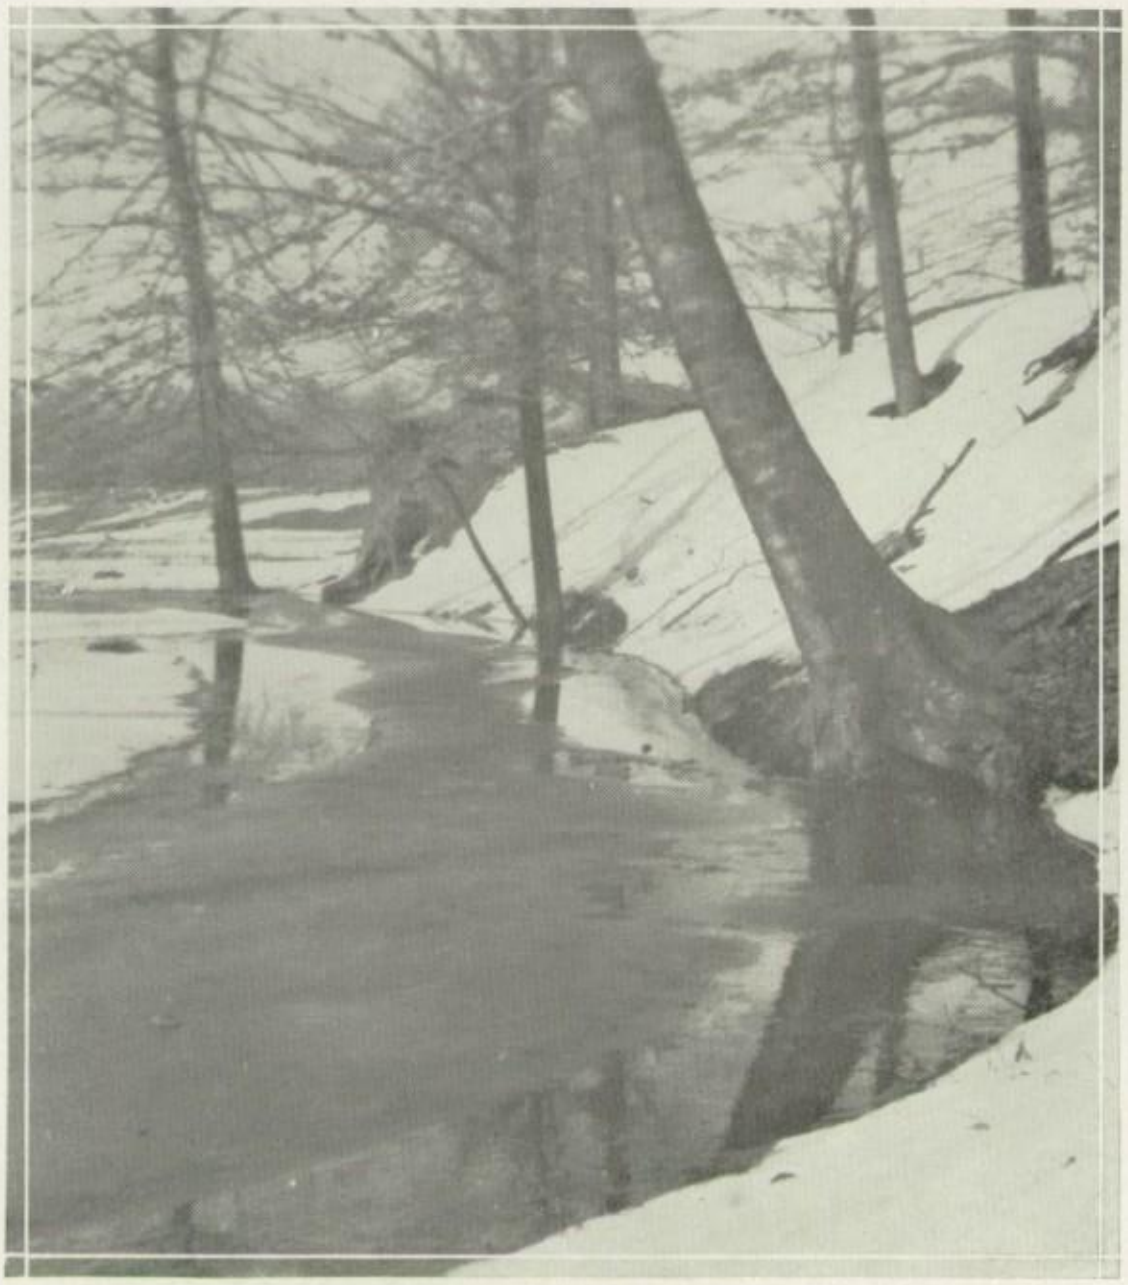
WITHIN the pages of this book it has been our endeavor to faithfully record the events of the past year at Mt. Gilead High and Junior High School, as they occurred. Through words and pictures it is our desire to preserve the record of this chapter of our school life, so that in after years this volume may be kept as a tangible memory of our happy school days. If we succeed in making more durable these pleasant experiences, we shall consider that we have accomplished what we set out to do.

The School

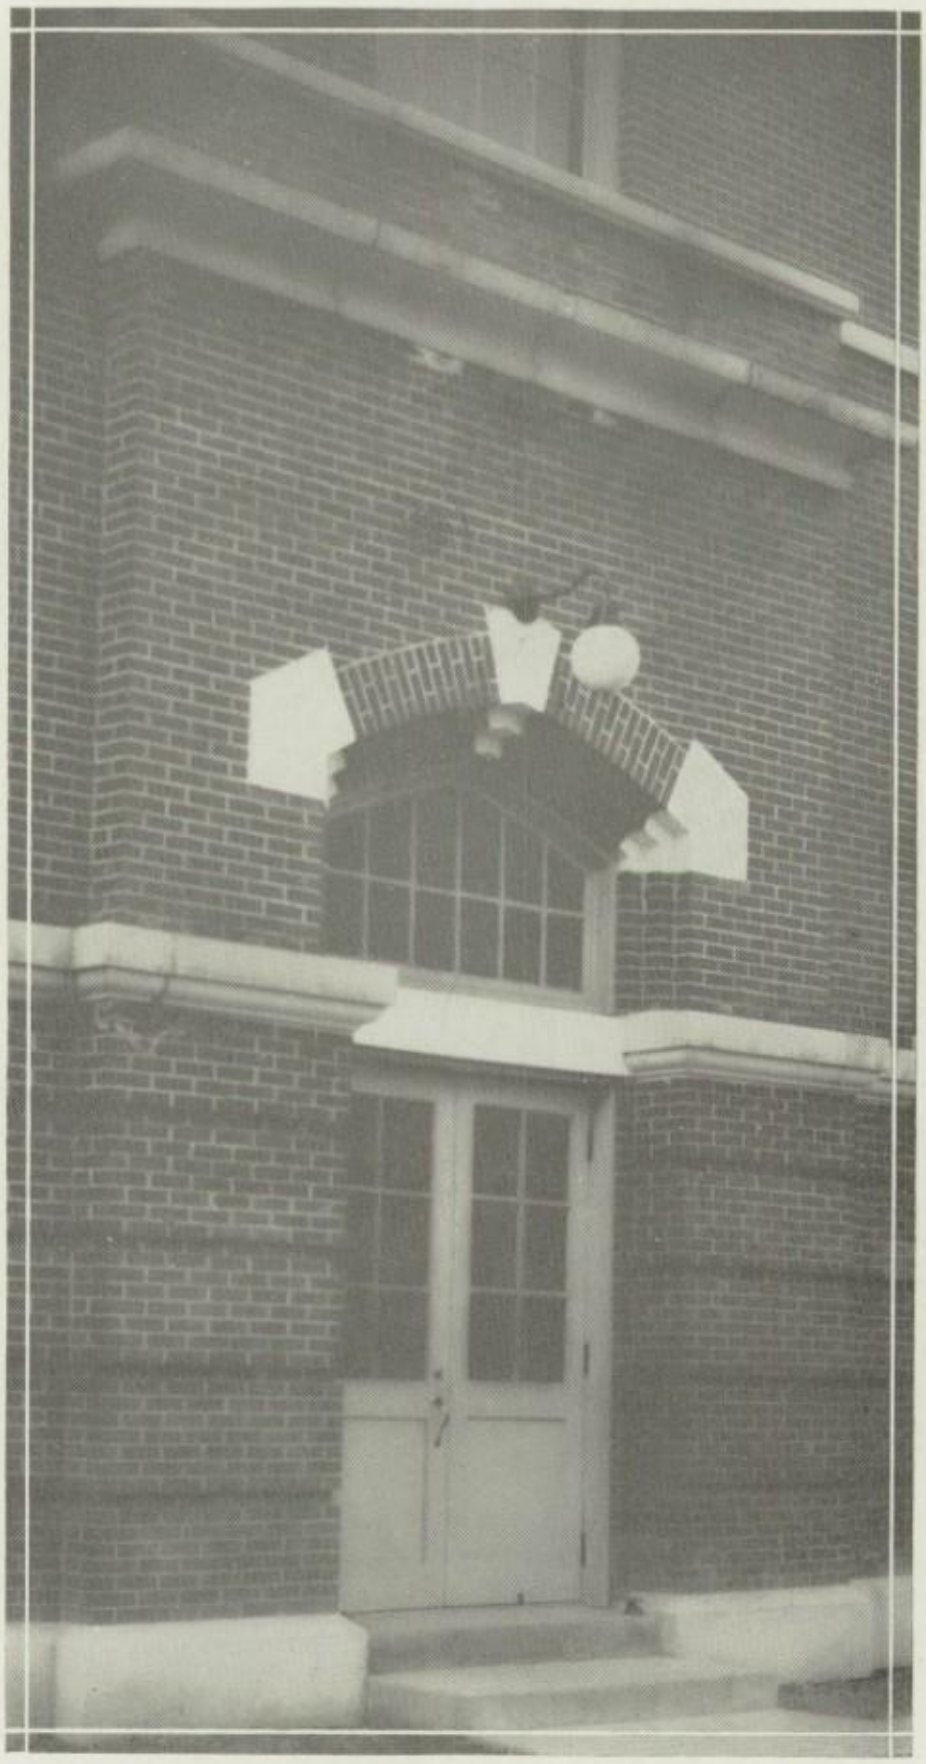
Book I

19 24

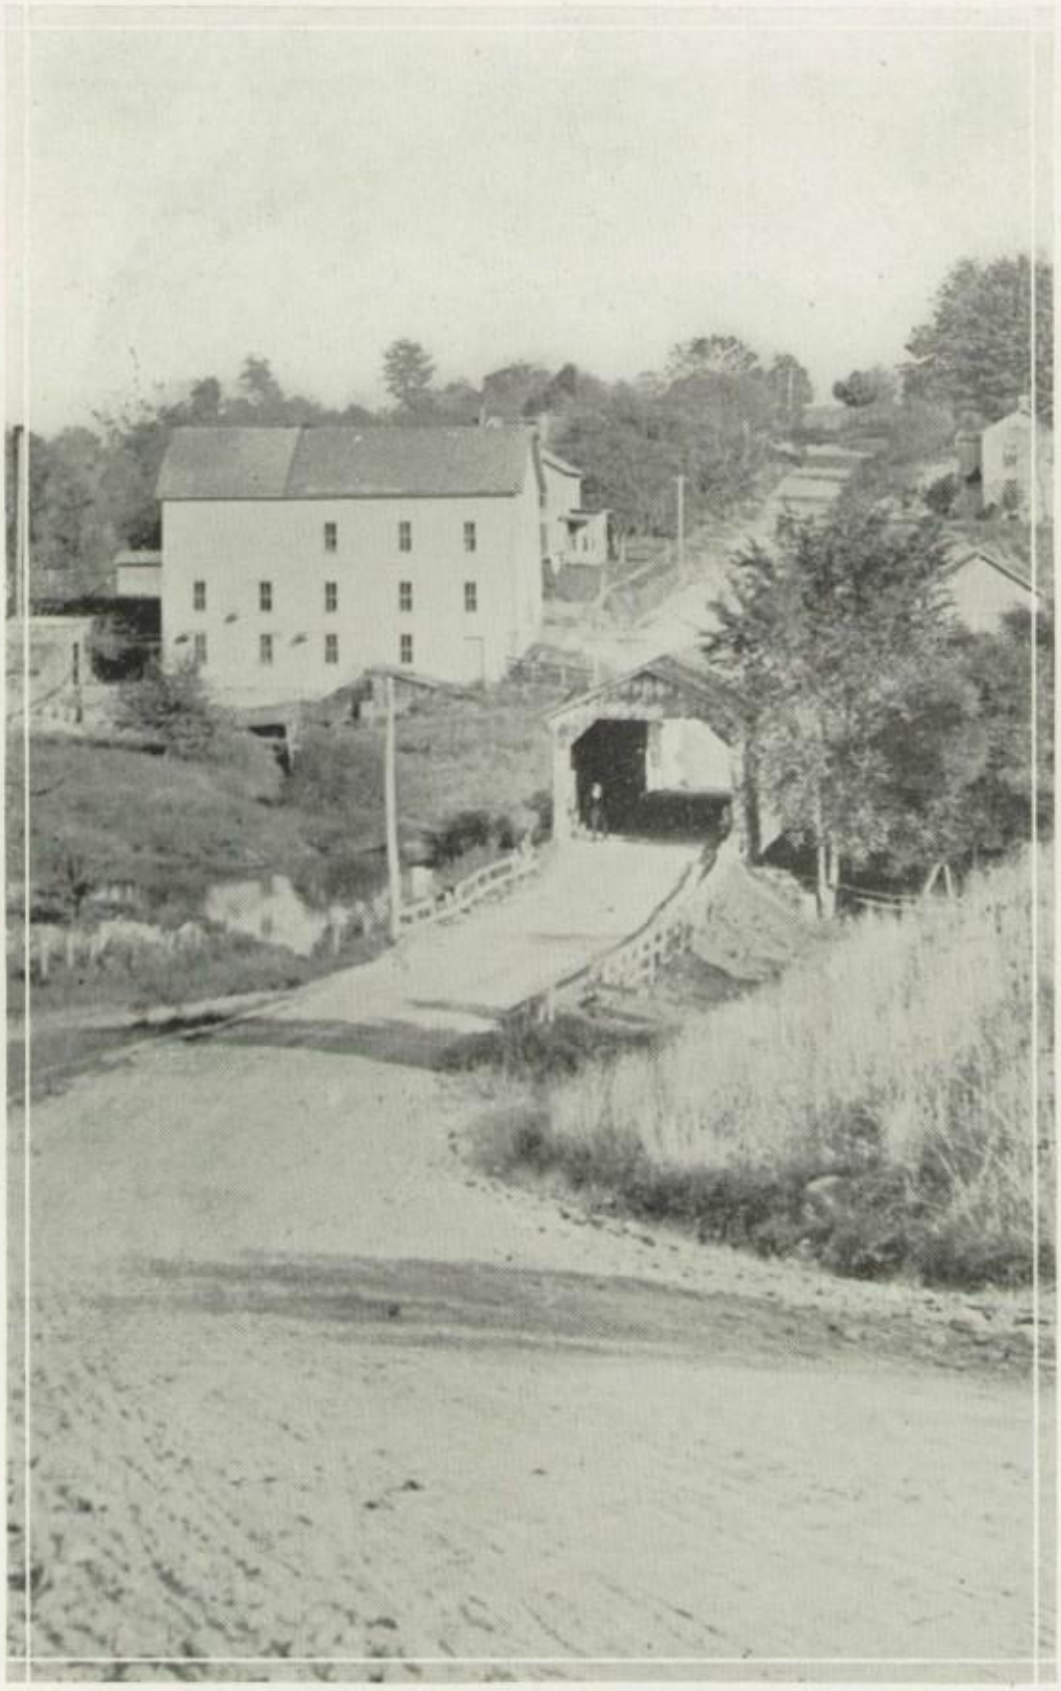
MIZPAH



'And I said, "If there's peace to be found in the world,
A heart that was humble might hope for it here."'



"Who loves fair knowledge, enter and ascend—
The quest leads upward."



The Old Covered Bridge

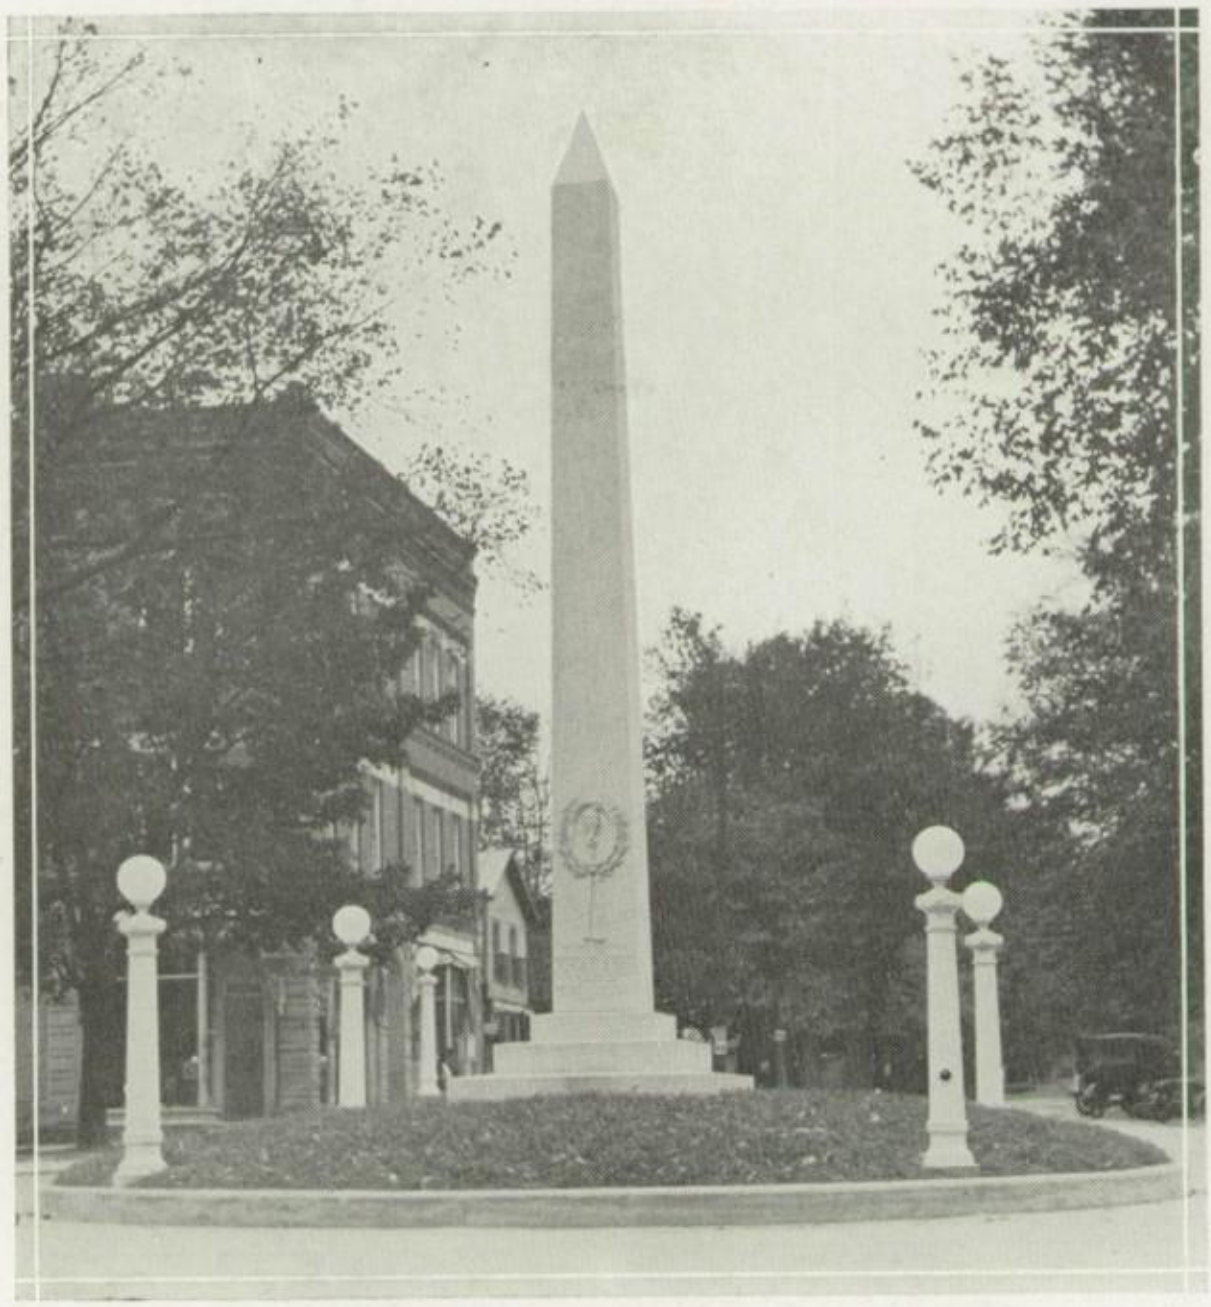
That old spot so dear to our heart
Where, in the rippling water the wary fish played,
The place where many a lad's mind strayed
It stood in the roadway at the foot of a ridge
That sheltering nook the old covered bridge.

High School

High School Song

Gilead High School you're the one we love,
Gilead High your flag is high above
Give three cheers for purple and the white
For they always stand for right.

Gilead High for you our best we'll try
Gilead High for you we'll do or die
In thought and deed, wherever we may be
We'll be true to the school of M. T. G.

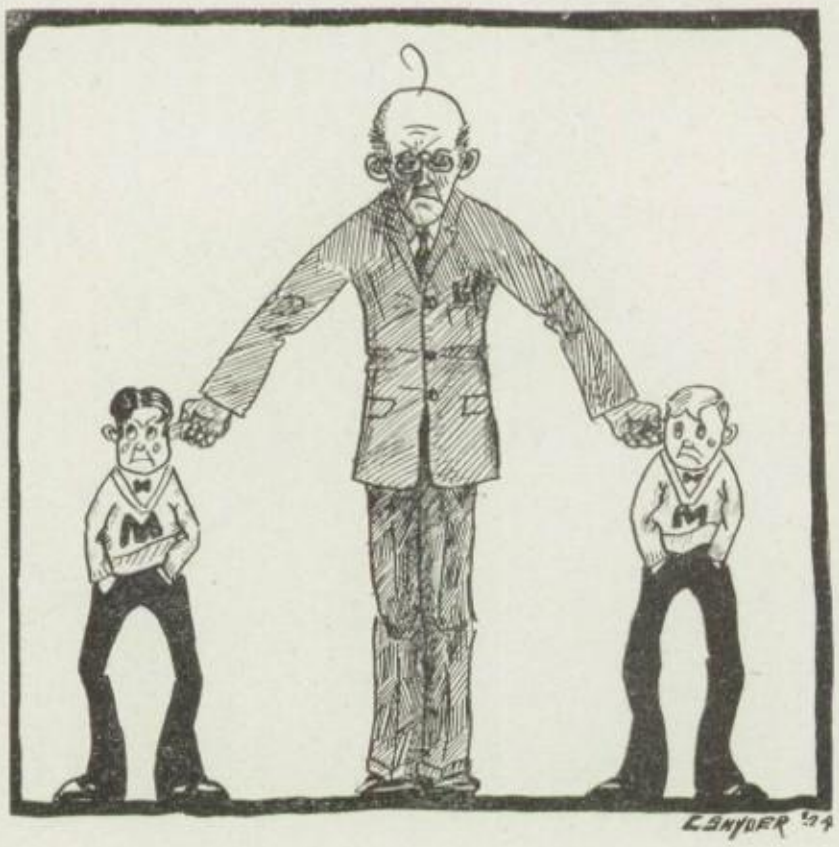


Victory Shaft

Mt. Gilead, and all Morrow County can be justly proud of this magnificent monument which is the only one of its kind in the United States.

It was given to this County as a reward for their loyal support during the late War.

Administration

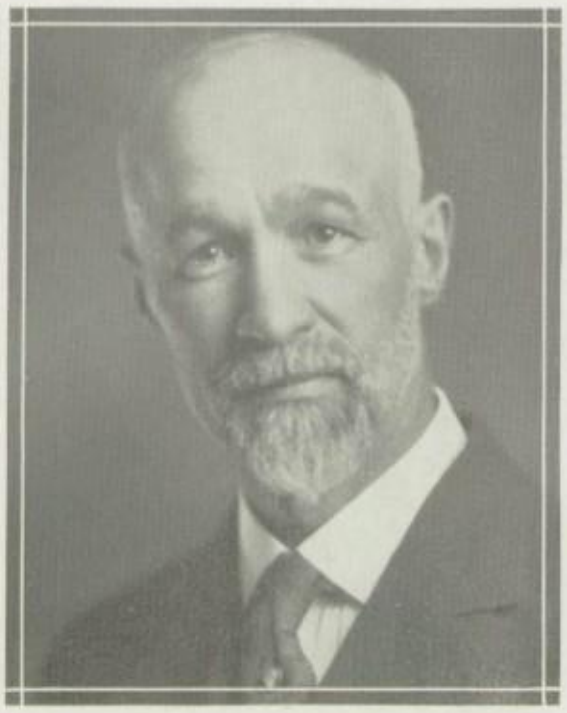


Mr. P. E. ARNOLD

Superintendent of Schools

This being Mr. Arnold's first year as Superintendent of Mt. Gilead Schools makes the position a hard one. He certainly has filled the position satistorily and we wish him much success in future years.

Board Members



Dr. J. W. Wood

President of Board

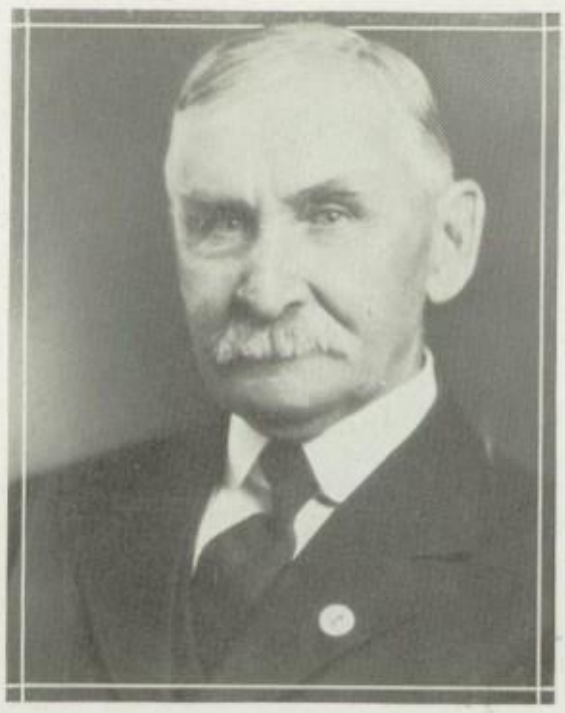
This man can rightly take for himself a large share of the credit for bringing to Mt. Gilead the new school building.

We are all for you Mr. Wood.

Mrs Besse E. Jensen

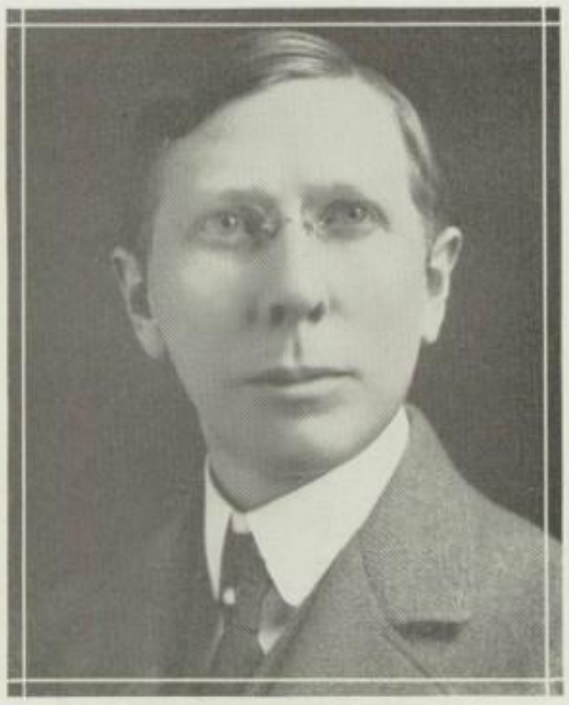
Mrs. Jensen, the lady who is always there, when it comes to any thing that is for the benefit of the Mt. Gilead schools.

Here's to you Mrs. Jensen.



W. E. Miller

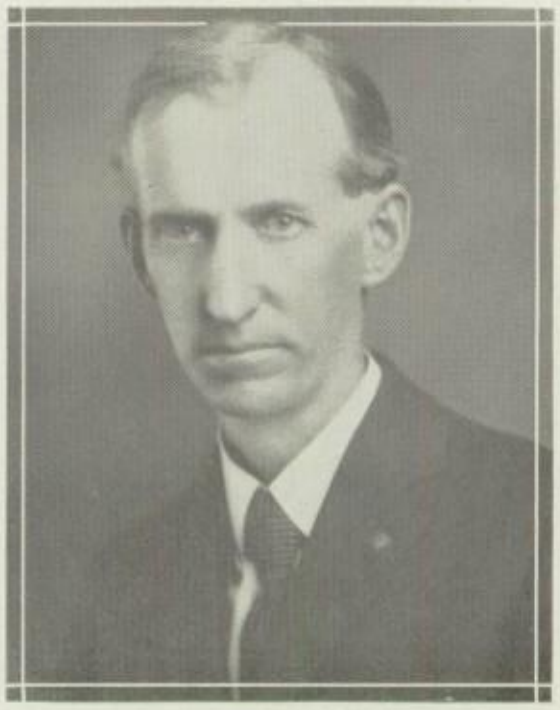
Mr. Miller, the man who filled the office of President of the School Board when the important question of the new school building was being debated pro and con.



A. J. Jago

Mr. Amos Jago, one of Mt. Gilead's foremost citizens, is one who is in for anything that is for the betterment of the community.

We wish you success Mr. Jago.



Mr. Webb McKibben

Mr. McKibben being an old hand at the business, stepped right in and went ahead with the work. Mr. McKibben has worked ever faithfully throughout the year.

Dr. C. Jensen

Clerk of Board

This is Mr. Jensen's first year on the school board.

He has on every occasion supported and backed the school activities for which we the Seniors wish to heartily thank him.

Faculty

W. I. Burrell

Principal of Mt. Gilead High

Mr. Burrell in the two years that he has been with us has proved himself a trusty and valuable friend and a fine teacher as well as a manly man.

"We'll win be gollies we'll win."

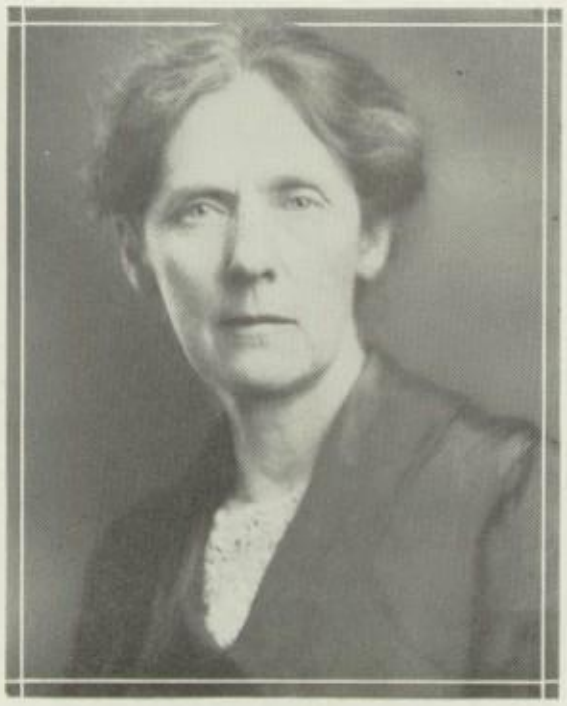
Miss Eva Gardner, Instructor of Latin and History, also acts as traffic cop in the halls as we march.

She has been with us ever since we started in our Freshmen year. We the Seniors wish to express our sincere appreciation of her assistance.

Eva Gardner

W. W. Wilson

Mr. Wilson came to us this year as an instructor of Science and Athletics Director but during the year he has taught English, Commercial Law, and taken even the place of the Superintendent on an occasion when Mr. Arnold was away. Mr. Wilson has in a single year made a friend of everybody in school.



ESTELLE ASHWELL

Miss Estelle Ashwell, instructor of English. She has always been on the job with a smile and ready to assist any one desiring information in English.

Miss Ashwell has probably filled one of the most important positions on the faculty and we in parting wish her success and happiness.

HOY W. WAGNER

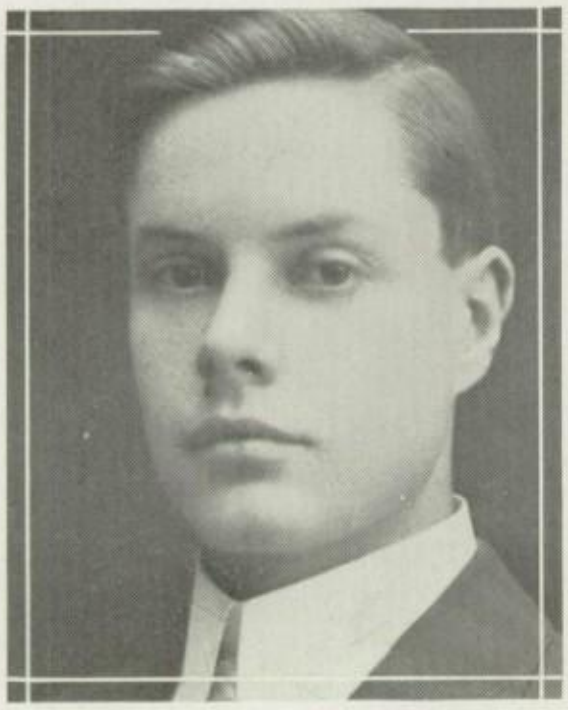
This was Mr. Wagners first year in our school. He has very capably held up his end of the faculty job. Mr. Wagner was the instructor of Agriculture and Manual Training. Good Luck, Mr. Wagner.

ANNABESS MCCORMICK

This is Miss McCormick's first year with us, and we like her fine. She is teaching our future "side kicks" how to cook. Miss McCormick is a hard worker but is always ready for a good time.

We wish you luck Miss McCormick not only in making good cooks out of the girls, but for yourself.

Junior High Faculty



S. Guy Hildebrand

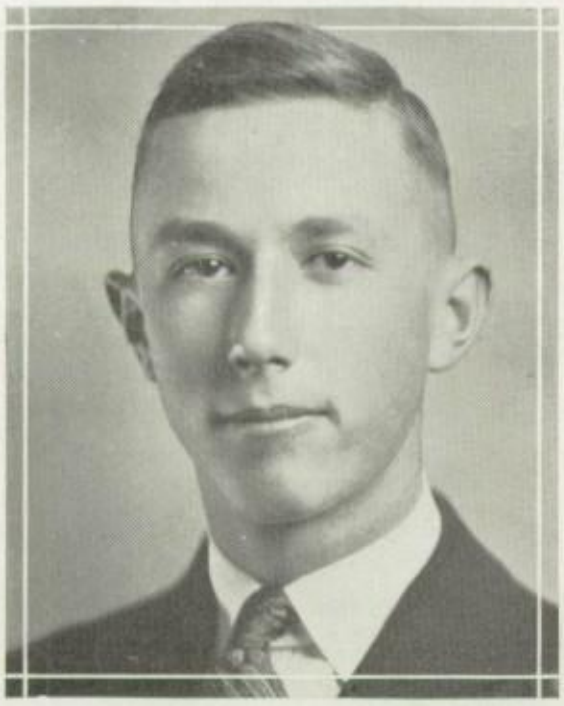
Mr. Hildebrand, principal of the Junior High School, has been with us only a few months. In the short time that he has been with us we feel, as every one else feels, that he has done wonders for the Junior High.

We wish you success Mr. Hildebrand.

Mildred Mozier

Miss Mozier, a graduate of M. H. S. in the class of '18, has been a very successful instructor in the Junior High School. We hear that just to please some of her pupils she had her hair bobbed, and I'm telling you straight, she don't look bad.

Here's to you Miss Mozier!



Warner Zulauf

Mr. Zulauf, teacher in the Junior High, was a graduate of Mt. G. H. S. in the class of '21. Although being with us only a year he has proven himself a very efficient instructor. He is a good sport outside the school room and he takes a great delight in holding "Teachers" meetings after school.

MRS. CHANDLER

Mrs. Chandler (Nellie Powell), a graduate of Mt. G. H S. in the class of '18, is a very efficient instructor. Mrs. Chandler is well liked. And another thing—she has her hair bobbed too. But that's all right Mrs. Chandler we are for you.

Miss Seitz, has charge of physical education, music and art of the grades and Junior High.

She has been highly praised for her success with the school orchestra considering this is her first year. We wish her as much success in the future.

RUTH E. SEITZ

CHARLEY APT AND BART KIDWELL

We feel that our Annual would not be complete if we had closed it without entering a few words and the photos of about the two biggest men in the school.

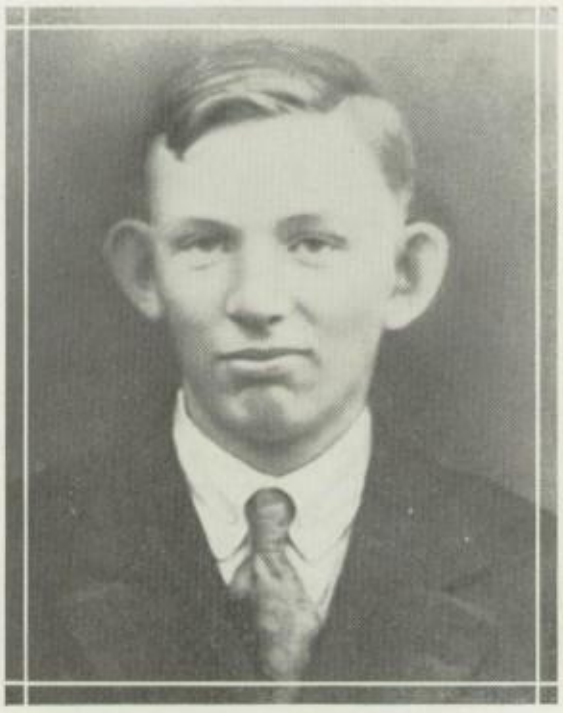
Charlie and Bart are two of the best sports that we have around the building. They are always in for a little fun on the side.

Although we don't see much of Bart, we feel that he is there by the heat that he shoots up at us once in a while.

Charlie is always "Hikin" around here and there, looking for broken windows, boys with muddy feet and paper on the floor. He even has threatened to quit us flat if we were not cleaner. But, we know you don't mean it Charlie.

Charlie and Bart, we wish you all the luck in the world.

The Classes



IN MEMORIAM

"He was a friend, faithful and just to me."

Neil has as many friends as any individual in high school. He was one who was admired and liked by all and was willing at any time to lend a helping hand.

Mentally, morally and spiritually, Neil could not be surpassed. He was always up in his studies. He had a keen mind which grasped anything with ease.

We are only too glad to be able to dedicate this page to one of the best friends and schoolmates that ever lived.

The Senior Class History

One bright morning in Autumn, the school bell rang out inviting all to come and learn, come and learn. Among those who answered the summons were about fifty odd individuals who had decided to take lodging in the halls of learning of Mt. Gilead High School.

Being known as "Freshmen" we were welcomed by the inevitable hoots and yells and were ushered to the front seats. The upper classmen soon learned to respect the "Freshies" for appearances are sometimes deceitful.

After becoming acquainted with our surroundings, we settled down and almost before we knew it, mid-year exams were upon us. Many of our members did not expect to survive this ordeal but were agreeably disappointed and lived to repeat the experience the latter part of May.

After the summer vacation twenty-six of the original fifty came back as Sophomores. Several of our class showed up well in athletics in this year.

In our Junior year we were considered one of the most active and good natured classes of the high school. We entertained the Seniors at a Banquet on April 20th, 1923. Our class was the originator of the "Junior" which has been successfully published this year by the class of '25.

This last year several new members joined our happy band and we now number thirty-four. Thus the years have passed. Now that the end is here we look back and smile, happy that we have completed our high school career, although regretful that our high school days are gone forever, and that we have left the halls of Mt. Gilead High never to return.

MARY SMITH.

ROGER RUHL

"Opportunity will find you if your eyes are wide open."

Athletic Ass'n (4), Class Play (4), Clionian (2) (3) (4).

Senior Class Poem

The Senior class of twenty four
Will labor in that long loved school no more
Which acts as a harbor for the mind and soul
Twas there we achieved our task, we set our goal.

Of the thirty three members in the class
Each desire and ambition I must not pass
So I'll give each a stanza of equal sum
As they in the alphabet come.

Ralph Aldo has something to say
And with his tongue he will win his way
With wonderful zeal and fiery orations
He will make people listen and even the nation.

Gale Bachelder we cannot pity
He wants to marry a girl from the city (Edison)
But never the less he'll reach a high plane
For he will do all the work with his brain.

Harley Bachelder is not to blame,
It's that little town from where he came
Some day he'll own a very large ranch
And do things scientifically in every branch.

Mary Barler a quiet young miss
Shall sometime be tangled up in a bliss
Of her ambition I never learned
But a buggy ride she has never spurned.

Robert Beilhart the shiek of Morrow County
Will have no trouble in getting his bounty
And in the long world's struggle
He'll win his place without any trouble.

John Caris shall be a newspaper man
His paper will be read all over the land
John in his nifty little Chevrolet
Makes all the girls look his way.

Evelyn Clapper desire is one
She wants to live in Edison
Into a thing she never had to be lead
And for that reason she has nothing to dread.

Mildred Crock a teacher will be
She probably will teach Latin across the sea
If with that friendly smile she don't fall
And answer some young fellow's call.

Ralph Fowble, Betty's future fiancier
Of whom the world some day will hear,
With his fine appearance and manly way
In the business field he will have the say.

Edna Hartpence the girl with a smile
Doesn't know how to frown not once in a while,
Edna will live in a palace on a large estate
All contented with her little mate.

Helen Hetrick with those luring eyes
Causes many a boy to sigh,
She will reach the height of a great musician
And play the world to sleep under any condition.

Vaughn Hull is not backward at all
To some young miss he is sure to fall,
Of his ambition I do not know
But he'll make a good man in a minstrel show.

Herbert Inscho the young Lochinvar
Goes with the girls here and afar,
With his experience and ability to think
Will take the place of a needed link.

Oliver Kerr of the studious rank
Shall be the Pres. of a large bank
Whether he is mischievous or not
He is one who can form a plot.

Arthur Kidwell without any trouble or lurching
Shall attain the position of Gen. Pershing
Of all the tactics and weapons he will use
It's cupids arrow I am afraid he'll abuse.

Elizabeth McAnall has done her part
She has already captured a Senior boy's heart
Her position you will adore
For she and Ralph will run a Department store.

Oscar McAnall makes the girls stare
With his rosy cheeks and sleek black hair
The price of our honor we all must pay
And Oscar is one who will not fall by the way.

Elizabeth Nichols who came from the wonderful city (Fulton)
Where all people dwell even the witty
Elizabeth the possessor of superior knowledge
Without a doubt will be Pres. of a college.

Earl Pinyerd the one we admire
Shall make the world dance to the tune of his lyre
He is striving as all honest and noble men slave
To find a substance to check the growth of his beard so he won't have to shave.

Senior Class Poem, *Continued*

Roger Ruhl has his lesson most every day
And still has time for a little play
Yet starting as a ticket collector
In a very short time will be a movie director.

Harold St. Clair, now girls just listen
He wears glasses and has a car that just glistens
His desire or ambition seems to be a mystery
Though in time it cannot help but appear in history.

Robert Sautters at whom you all stare
Will run a large farm from his easy chair
With all its troubles, toil and care
At the age of ninety he won't have a grey hair

Mary Smith charms all whom she meets
In her graceful way everyone she will greet
Mary has the beauty, courage and power
To be if she desires a movie star.

Helen Smith, the senior of fame
Without a bit of doubt will change her name
She can write notes to Kenny and still make an A
That is a lot more than most of us can say.

Ruth Smith never lets her work get in a pile
Into her life's work she'll go with a smile
Like most girls she'll be caught by cupid's arrow
Or else to some fellow she will cause sorrow.

Lyle Snyder can picture beauty's creation
In the field of art he will have a great reputation
He has been out among 'em you can tell at sight
For on some mornings he don't look as well as he might.

Chester Staiger around the girls is a fright
The way he makes them blush and laugh is a sight
Of Chester's ambition I have nothing to fear
He will be a scientist or an engineer.

Chauncey Terry the young Valentino with the Harold Lloyd glasses
Can have his pick of the village lasses
Chauncey over his work will pore
Until he will own a large drug store.

Alice Teeple will make dainties all men adore
She will be a domestic science instructor
A maiden who is calm and don't fly to pieces
If sometimes she's called on to do the dishes.

Mildred Whitney of whom all the boys hearts are gladdened
With the thought and face of this beautiful maiden
The Mary Pickford of the coming age
Who's pictures appears in the magazine page.

Margaret Weiland the one who can talk
And with the boys she delights to walk
Margaret who is brilliant in Latin
For a new language will secure a patent.

Kenneth Wilson where he may go
Will be hailed as the young Caruso
His one ambition and nothing more
To be a partner in (Smith) jewelry store.

In the future the great people from shore to shore
Will come from the senior class of twenty four,
And I shall try to keep the pace
For you see I'll hold the poet place.

WILLARD BAUGHMAN.

Juniors

JUNIOR CLASS HISTORY

'Tis a real task to compile an accurate and deserving history of such an illustrious class as ours. As we are and always have been represented along scholastic, athletic, and social lines so well and ably in our three years of high school life, that we have decided to make this little account our years' doings, as the saying goes "short but sweet." In the athletic fields we have been "all powerful," in fact we we are proud to say that the '24 football captain, Miles Shipman, is one of our worthy pillars. In basketball "Cocky" Clark's name heads the list of high point man and in baseball the "Dumbaugh Brothers" are outstanding figures. Along scholastic lines our "Junior" paper won us a place of distinction in the literary world, while the editors of many departments of the Signum, our Latin paper, are members of our class.

We have accomplished "the seemingly impossible" and put across the only junior class play that has ever been presented in the history of Mt. G. H. S. and then to add to our glory the Junior-Senior Banquet proved to be a social milestone in our career, "something a little different," was our cry and we believe we made this assertion good.

MARY ELLEN JAGO, President.
MARY VAUGHN, Vice-President.
CLARENCE DUMBAUGH, Sec'y and Treasurer.

Sophomore

SOPHOMORE CLASS HISTORY

The Class of '26 started its Freshman year with 59 students enrolled and at the beginning of the present year numbered 48.

This class has been very active in High School activities both in athletics and in regular school work.

In athletics this class has been represented in every sport, having no less than 6 varsity men in its first year, and in its second year practically every boy in the class was a member of some team. The Sophomore boys' basketball team this year very decisively won the interclass tournament, the first of its kind to be held in the school. The girls also performed very creditably, being runners up in the same tournament.

The Sophomores also rank among the foremost in the everyday work and social activities of the high school. You cannot help noticing the pep of the students as they gather to support their class team or to cheer for the varsity.

Altogether the class as a whole has shown wonderful enthusiasm and has so far very creditably lived up to its motto, "No reward without effort."

MERWIN BREESE, President.
DOROTHY SCOTT, Vice-President.
ELSIE RULE, Secretary and Treasurer.

Class colors: Scarlet and Grey.

Motto: "No reward without effort."

Freshmen

FRESHMEN CLASS HISTORY

One September morning we assembled in the Junior High School Building. Things went along smoothly for a month till the Senior High started then we poor Freshmen received what was coming to us.

There were sixty-two of us during the first part of the year but later three of our number left us. On April 24, we came back to get our grade cards. Next year we hope to be in the Senior High School.

JANET GAVERICK, President.

Eighth Grade

EIGHTH GRADE CLASS HISTORY

Our class, the class of '28, started in the first grade with Miss Wilson as our teacher. We progressed slowly through the grades conquering many hard problems.

When we were in the fifth grade our school was centralized and many new pupils from the country entered our class. We had numbered twenty-eight and the new addition made us forty-three.

From this time forward we advanced rapidly. In the seventh grade we had for a teacher Mrs. Hartpence. Much to our regret we were termed the worst class in the school.

In the year of our Lord 1924 we entered the Junior High as a peppy young class. At this date John George and Bee Stevens joined our ranks.

Two of our boys and two of our girls made the Junior High basketball team, of this we are exceedingly proud.

This ends the sad but prosperous career of this class as graders.

ROBT. BYRD, President.
BARBARA OLDS, Secretary and Treasurer.

Seventh Grade

SEVENTH GRADE CLASS HISTORY

This is one of the best classes in Junior High when it comes to "pep." This class has also contributed numbers to Athletics, Orchestra and other activities. We know that this class will always come up to the standard with a good margin above. Watch our smoke as eighth graders next year, and so until we are seniors, when with the aid of the faculty we shall run the school.

Smith-Hughes

SMITH HUGHES DEPARTMENT OF AGRICULTURE

The Mt. Gilead High School is fortunate in having vocational agriculture offerred for the first time this year. This being the only department in the county, a four-year course in agriculture is given to those who desire the work. The purpose in this course is two-fold.

The first purpose is to have the student get the scientific basis of farming, to become acquainted with correct methods of farm management and to develop appreciation of farm life.

The second purpose is to give the student actual farming practice which is accomplished by field trips and the completion of a home project. The department has an enrollment of twenty-five boys which, we are glad to say, is above the average for the state.

Morrow County Normal School

Mildred Epley
Betty Levering
Aubrey Jenkins
Adah Richardson
Eunice Richardson

FRONIA ISLEY ARTER, *Normal Director*
E. E. RAY, *County Superintendent*

At the County Normal School
One may see, on notice taking,
A process, facinating quite,
Fourteen teachers in the making.

Practice teaching, observation,
Projects, methods, varied rule;
Music, Art and Nature Study—
What don't they have at Normal school.

How they drill them and instruct them!
How they train them every day!
As to how to teach their pupils
In a psychological,
physiological,
pedagogical way.

To Mrs. Arter the instructor
And Superintendent Mr. Ray
They owe their unimpeded progress
From September until May.

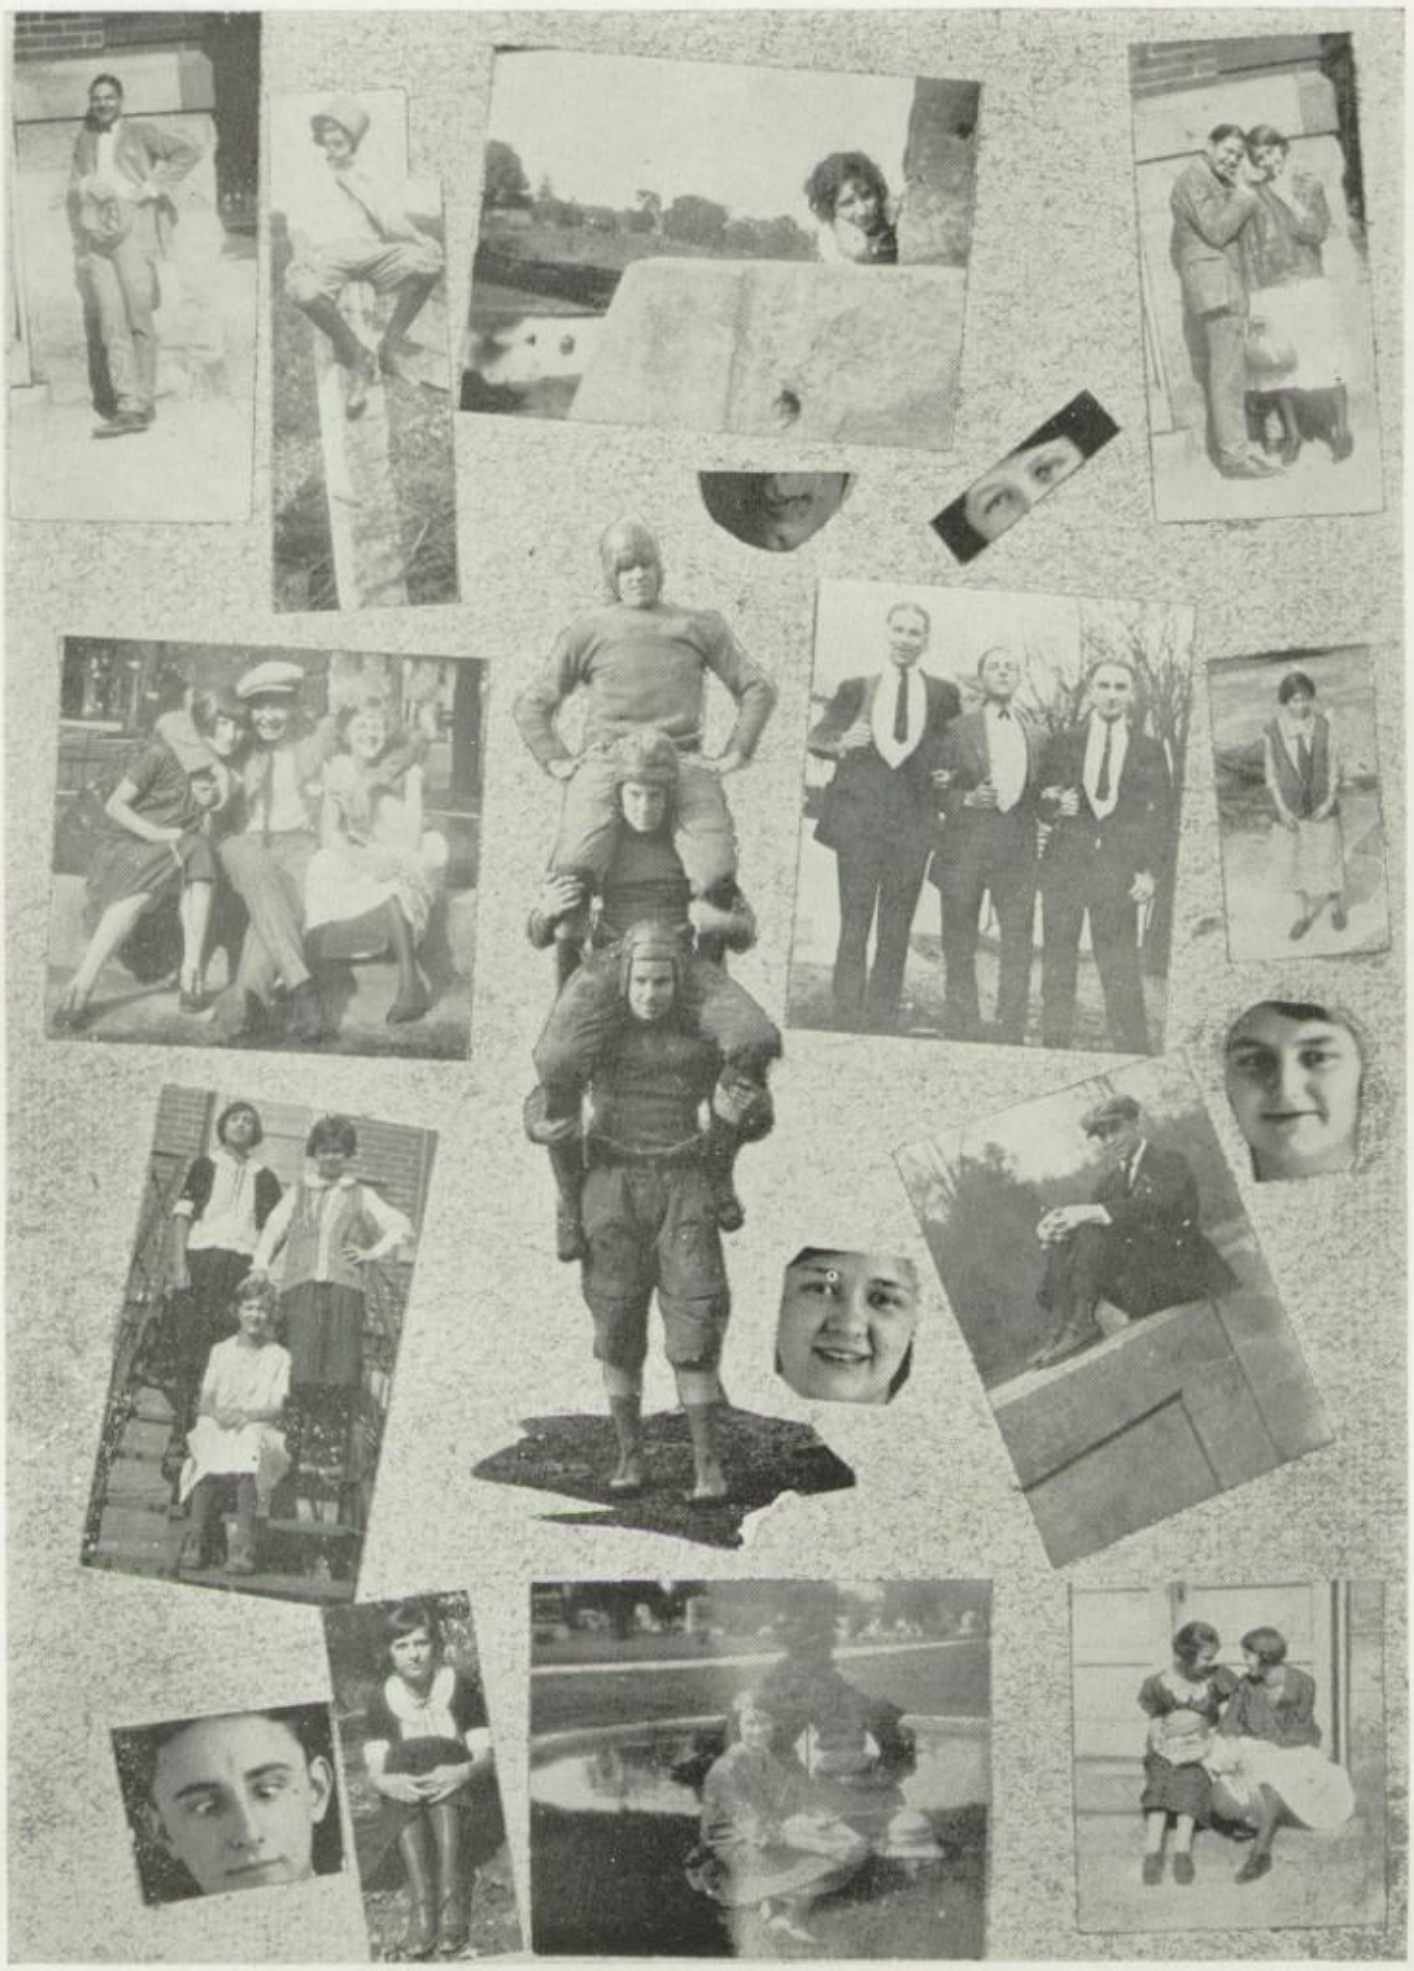
And the finest part about it
Is that what each student knows
He'll be passing on to others
Thus the good work grows and grows.

M.T.G.H.S.

Athletics

Book II

19 24



W. W. Wilson

"Coach"

For a number of years Mt. Gilead High has been taking part in athletics, but after each season was over and we had summed up the games won and lost we invariably found the lost column the greater.

This year we are exceedingly happy to say that Mt. Gilead has had a winning team in each branch of athletics. We are all well satisfied with the season's outcome.

For this great change and for the spirit of these teams we, the student body in general, wish to thank this unselfish and manly man.

Wearers of the "M"

Membership in the "M" Association is accorded only to those who have earned the right to wear the "M".

The "M" Association is an organization which several of the members of the Athletic Association are trying to organize.

At the end of each year, after the initiation of the candidates there will be an "M" banquet.

The Alumni "M's" will be invited each year.

We hope that the charter members of the "M" Association in the future will all be boosters, and make the "M" banquet one of the biggest events of the year.

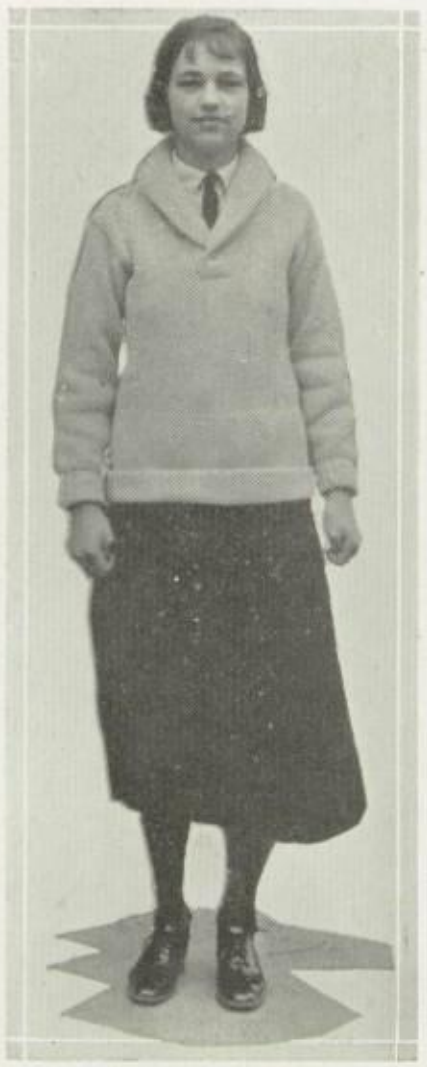
ATHLETIC ASSOCIATION

This most important organization was originated four years ago by Mr. W. O. Moore and the class of "20".

We, the present senior class, in the past four years have had a rather singular opportunity of viewing the results of an association, well organized and running on a co-operative basis.

We wish to give this above body of officers credit for gaining new basketball and football uniforms the past season.

The outgoing class of Seniors sincerely hopes that this vital function will be properly carried on in the years to come.



ELEANOR BAKES
"Cheer Leader"

A cheer leader has much more to do than to lead a "Yea Mt. Gilead" and a "Team Team ————" at a football game. The duties of this person consists of long hours of work, spent in planning "pep" meetings, talking up the games and other unpleasant jobs. It consists of even more than that. She is responsible for keeping the spirit of the student body at a high point throughout the entire year.

However, her task as cheer leader was lessened by the magnificent way in which she aided in the bringing of victory to the High School by her playing.

The cheer leaders' job is a task for a real leader. She must yell when the whole crowd is silent and discouraged, and we hand it to "Bakesy" for the way she acquitted herself.

Football

Football 1923-24

Due to the fact that the high school started one month late, the football schedule was not completely filled out and only eight games were played. Of this number four were won; one tied and the other three lost.

The first game of the season was played at Ashley, resulting in a victory 21-0. Two touchdowns were made the first half and one the last half.

The next game was with Centerburg. In this game the team had a little more opposition than in the first game. Centerburg threatened to score several times, but were not able to do so. Mt. Gilead crossed the line twice.

The team journeyed to Fredricktown for the third game of the season. Gilead seemed to suffer a reverse of form, and let the opposing team score twice in the first half. In the last half we came back and scored two touchdowns but were unable to keep Fredericktown from scoring the third.

The next week Mansfield Seconds came to Mt. Gilead, accompanied by a large crowd of rooters. Mt. Gilead still smarting from the Fredericktown defeat was out for a scalp. Mansfield scored on a fumble. Mt. Gilead was able to score almost at will, making six touchdowns.

The following week Crestline confident from their victory of last year came with great hopes of repeating, but the Mt. Gilead team was going strong and scored four times, not allowing Crestline to approach the goal.

The next game was with Galion. Mt. Gilead let them score three touchdowns the first half, then after a talk from Coach Wilson, came back the last half and held them scoreless, while themselves opening up an aerial attack, were able to score a touchdown.

The next game was played at Richwood. This was the hardest fought game of the season. Mt. Gilead was held for downs several times within their five-yard line. Richwood penetrated the twenty-yard zone twice and crossed the ten-yard line once.

For the final game of the season on Thanksgiving day Mt. Gilead journeyed to Millersburg. It had rained all day and the mud on the field was nearly ankle deep. Mt. Gilead not equipped for such a field was unable to stop Millersburg and during the first half they scored four touchdowns. In the last half Mt. Gilead came back with a determination to fight and held them to one touchdown. Buckmaster opened up with his aerial attack and on a long pass, Buckmaster to Lee, brought the ball near the goal, then a pass, Buckmaster to Breese, resulted in a touchdown.

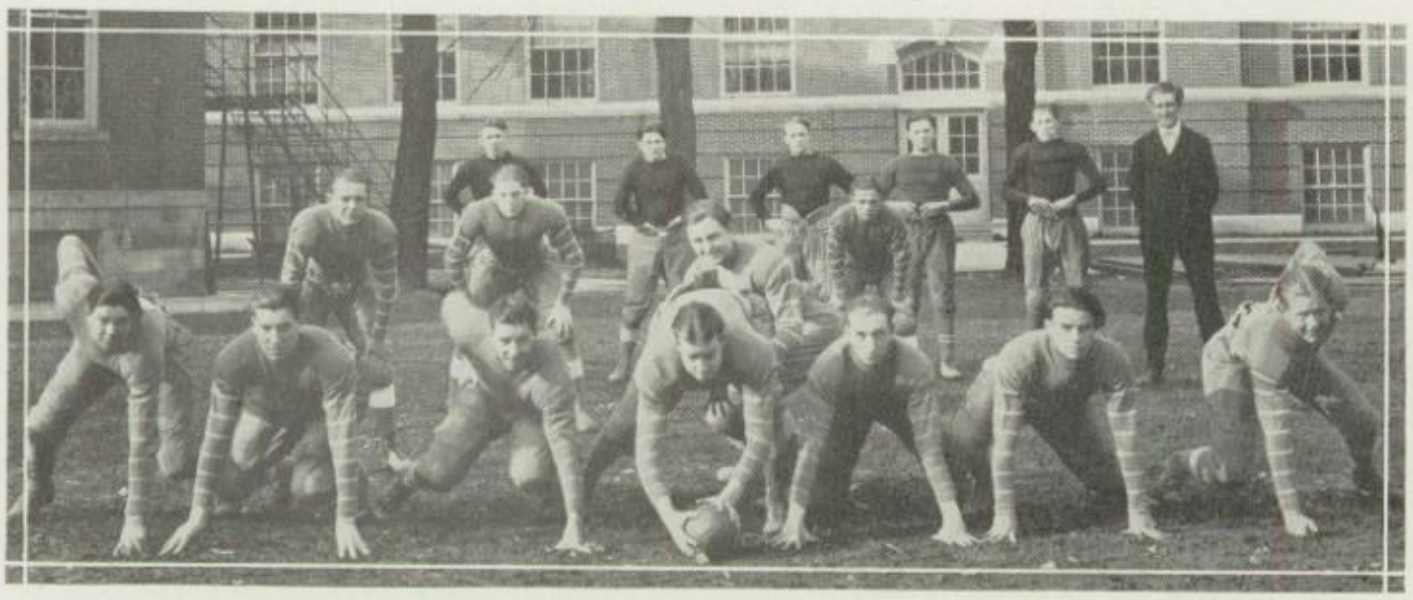
At the Football Banquet fourteen players and manager were awarded letters. Two received numerals. Miles Shipman was chosen as captain for next year. Four of the team graduates this year but there is plenty of material and the prospects for the best team that Mt. Gilead has ever produced, are very bright.

Mt. Gilead, 21; Ashley, 0.
Mt. Gilead, 12; Centerburg 0.
Mt. Gilead, 12; Fredericktown, 18.
Mt. Gilead, 39; Mansfield, 7.
Mt. Gilead, 26; Crestline 0.
Mt. Gilead, 6; Galion, 18.
Mt. Gilead, 0; Richwood, 0.
Mt. Gilead, 6; Millersburg, 33.
Total—Mt. Gilead, 122; Opponents, 76.

The Squad

First Row: Paul Buckmaster, George Clark, Earl Pinyerd, Robt. Beilhart, Miles Shipman, Merwin Breese, John Caris.
Second Row: Arthur Kidwell, Ronald Fate, Harry Beilhart, Clarence Dumbaugh, Grant West, Coach Wilson.
Top Row: Vaughn Hull, Dwight Jensen, James Lee, Louis Osborn.

"O" Formation



ROBERT BEILHART, Capt.
(Left)

A smashing, fighting tackle, particularly strong on defense, consistently knifing through the interference and downing the runner. An ideal Captain who led by example.

JOHN CARIS
(Right)

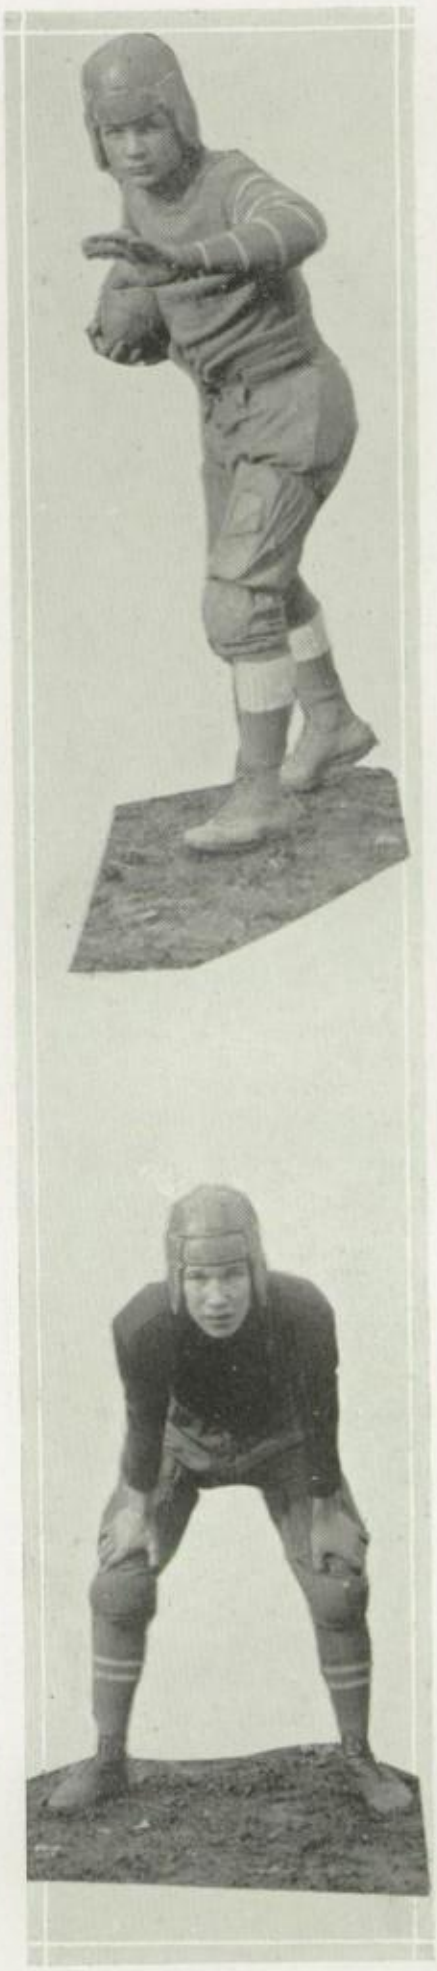
About this stocky youth was built the major portion of the team's running attack. All he asked was help to the scrimmage line. His broken field running was a delight to see.

EARL PINYERD
(Left)

Strong man of the squad. Developed into a capable center, particularly strong in the offense, steadying the backfield by accurate passing.

ARTHUR KIDWELL
(Right)

A hard working, capable manager and a dependable player. On account of an old injury only played a few quarters.

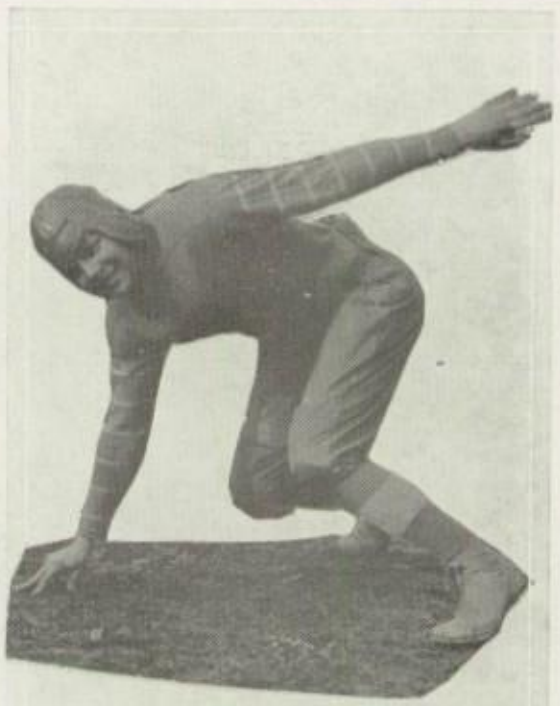


VAUGHN HULL
(Left)
The lightest man on the squad played guard and tackle, "fought at the drop of a hat". Unluckily for the High School he is a Senior.

MILES SHIPMAN
Captain elect
(Right)
A speedy, shifty end who fought like a demon without losing his famous smile.

GRANT WEST
(Left)
When a lineman, after going through, turns and overtakes a backfield runner he is good. West did this so consistently that it ceased to attract attention. A fit running mate for Bob Beilhart.

DWIGHT JENSEN
(Right)
The Buckmaster-Jensen passing combination work well. Equally strong on defense and offense. With captain-elect Shipman should prove among the strongest pair of ends in this part of the state next year.

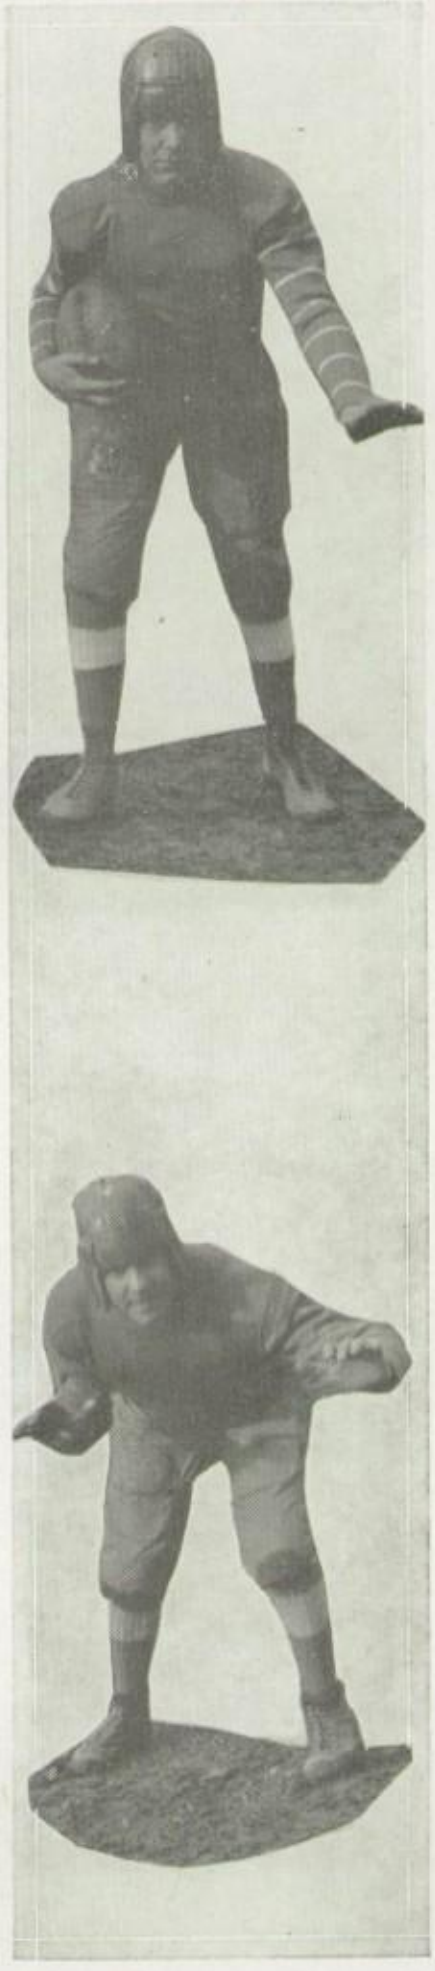


PAUL BUCKMASTER
(Left)

A true "tripple threat" man whose running passes were a delight to see. Buck was "slowed down" but the necessity of his playing quarter. We hope to see him playing half next year.

RONALD FATE
(Right)

Very seldom did he carry the ball but he bore the brunt, interfering "some achieved greatness", some not. Fate belongs to the latter, yet we detract nothing from the rest when we say he was largely responsible for many long runs while he went unnoticed. Watch this boy next year.



MERWIN BREESE
(Left)

One team referred to him as the "200 lb. Fullback". An ideal fullback heavy enough to smash the line yet one of the most consistent end runners on the squad.

HARRY BEILHART
(Right)

Outweighed by ten to fifty pounds in every game he was consistently in the play and accounted for more than his share of tackles, "a fightin' fool." Watch him next year.

GEORGE CLARK
(Left)

A great end, a good guard, a fair tackle and center, with Hull forming the "shocktroops." On account of his versatility and not thru lack of ability had no regular berth yet played half or more of every game.

LOUIS OSBORN
(Right)

The only Freshman on the squad. The spirit of this "frail youth" is shown in his remark, "I'll try for the team next year and if I don't make it I'll have two more years!"

CLARENCE DUMBAUGH
(Left)

A dependable player. Here was found no "theatricals", but conscientious patient, plugging. A potential star next year.

JAMES LEE
(Right)

A good end. Puzzle for next year: Shipman, Jensen, Clark and Lee, ends.

Basketball

Basketball

With the defeat of the Cardington Independent team, county champions of 1922, on April 9th, the Mt. Gilead High School Basketball Team closed the hardest schedule attempted in the three years of basketball played in that institution. Of the 24 games played against the hardest kind of competition the locals emerged victorious in 15 games. Of the nine defeats three were inflicted on the local floor, one by the Alumni, one by Bellpoint, one by Bucyrus. The Alumni team composed of older and more experienced players, included a member of the Freshmen basketball team of Ohio State, who was responsible for nearly all the points, eighteen in fact. It was played during the absence of the coach and one of the regular players. Bellpoint won the Class B Championship of Ohio this year, while Bucyrus was undoubtedly the best Class A team in this section of the state. The locals also suffered a defeat at the hands of Mansfield, a Class A school. However, two overtime periods were required to accomplish this. St. Marys of Marion, a Class A school, was defeated on the local floor. St. Mary's, since that time, held Lancaster 9-6 and defeated Delaware 27-20.

Bellpoint was the only team which ran up a large score on the locals, the other defeats being for the most part by small scores. In mid-season, the team dropped six games in a row, two to Bellpoint, one to Mansfield and three others which they probably should have won. Then they came back and won five straights, lost the "notorious" one to Centerburg, at the Delaware Tournament and won four straights. With regards to the Centerburg game it was the third one played by the locals in nine hours. The team loses by graduation this year, Captain Fowble, guard and forward; John Caris, guard; "Bob" Beilhart, sub. guard, and Hull from the second string. Fifteen men were carried on the squad thruout the season and it is hoped these vacancies will be ably filled. Also the interclass basketball furnished valuable training for some forty others.

Boys

Mt. Gilead 27, Centerburg 16; Mt. Gilead 14, Alumni 22; Mt. Gilead 29, Richwood 15; Mt. Gilead 9, Bucyrus 22; Mt. Gilead 28, St. Marys 27; Mt. Gilead 22, Fredericktown 18; Mt. Gilead 27, Centerburg 17; Mt. Gilead 12, Bellpoint 36; Mt. Gilead 21, Ashley 30; Mt. Gilead 25, Crestline 30; Mt. Gilead 21, Mansfield 25; Mt. Gilead 21, Bellpoint 36; Mt. Gilead 20, Fredericktown 25; Mt. Gilead 18, Iberia 2; Mt. Gilead 27, Sparta 12; Mt. Gilead 16, Cardington 14; Mt. Gilead 17, Brownsville 14; Mt. Gilead 13, Magnetic Springs 12; Mt. Gilead 17, Centerburg 19; Mt. Gilead 39, Crestline 17; Mt. Gilead 32, Upper Sandusky 14; Mt. Gilead 17, Edison, Ind. 14; Mt. Gilead 47, Edison, Ind. 22; Mt. Gilead 34, Cardington Independents 11. Total—Mt. Gilead 553. Opponents 469.

FOWBLE, (Capt)
Left

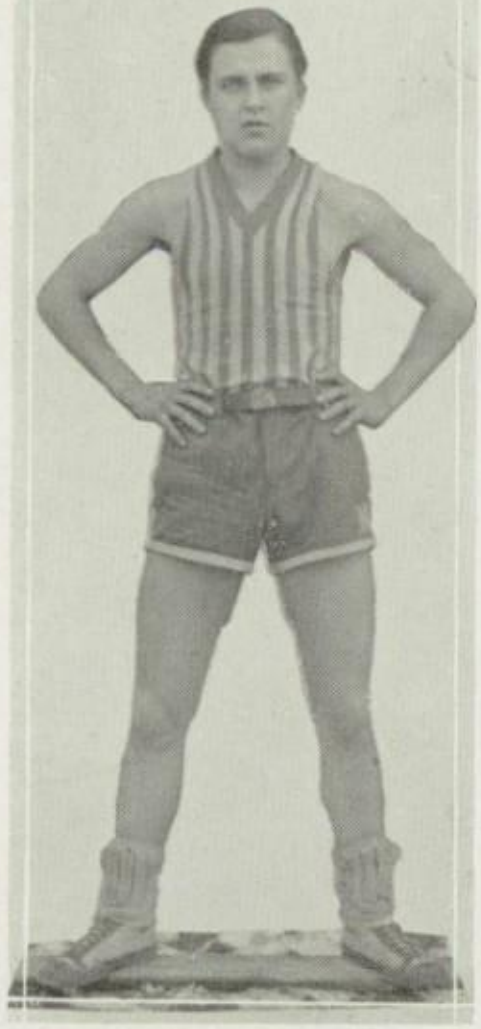
Playing his third and last season for "school" "Cy" was handicapped through poor condition, and injuries.. Proved a capable Captain and was willing to give all for the team.

Points 52

CARIS, (Sr.) Guard
Right

Opponents may have looked with contempt at this "wee" youth — before the game, never after. There were no bad games on his record.

Points 58



BUCKMASTER, (Soph.) Forward
Left

"A purple and white streak". Fast clever, developed probably more than any other man on the team. A wizard on difficult shots from the side.

Points 71

CLARK, (Jr.) Forward
Right

Kept off the team in early season because of failure to get in condition, he worked hard and developed into a capable dependable forward, by far the best short shot on the team, and one of the hardest workers.

Points 135

BREESE, (Soph.)
Guard (Left)

Beginning the season as forward he was shifted to guard to get the ball off the backboard. Playing "Standing guard" he completely refuted the theory of taking one man out of the offense, by playing a great guarding game and finishing third in scoring. Points—91.

SHIPMAN, (Jr.) Sub.
(Right)

A good long shot and should prove a strong man on the squad next year. Points—4.

JENSEN, (Soph.) Center (Left)

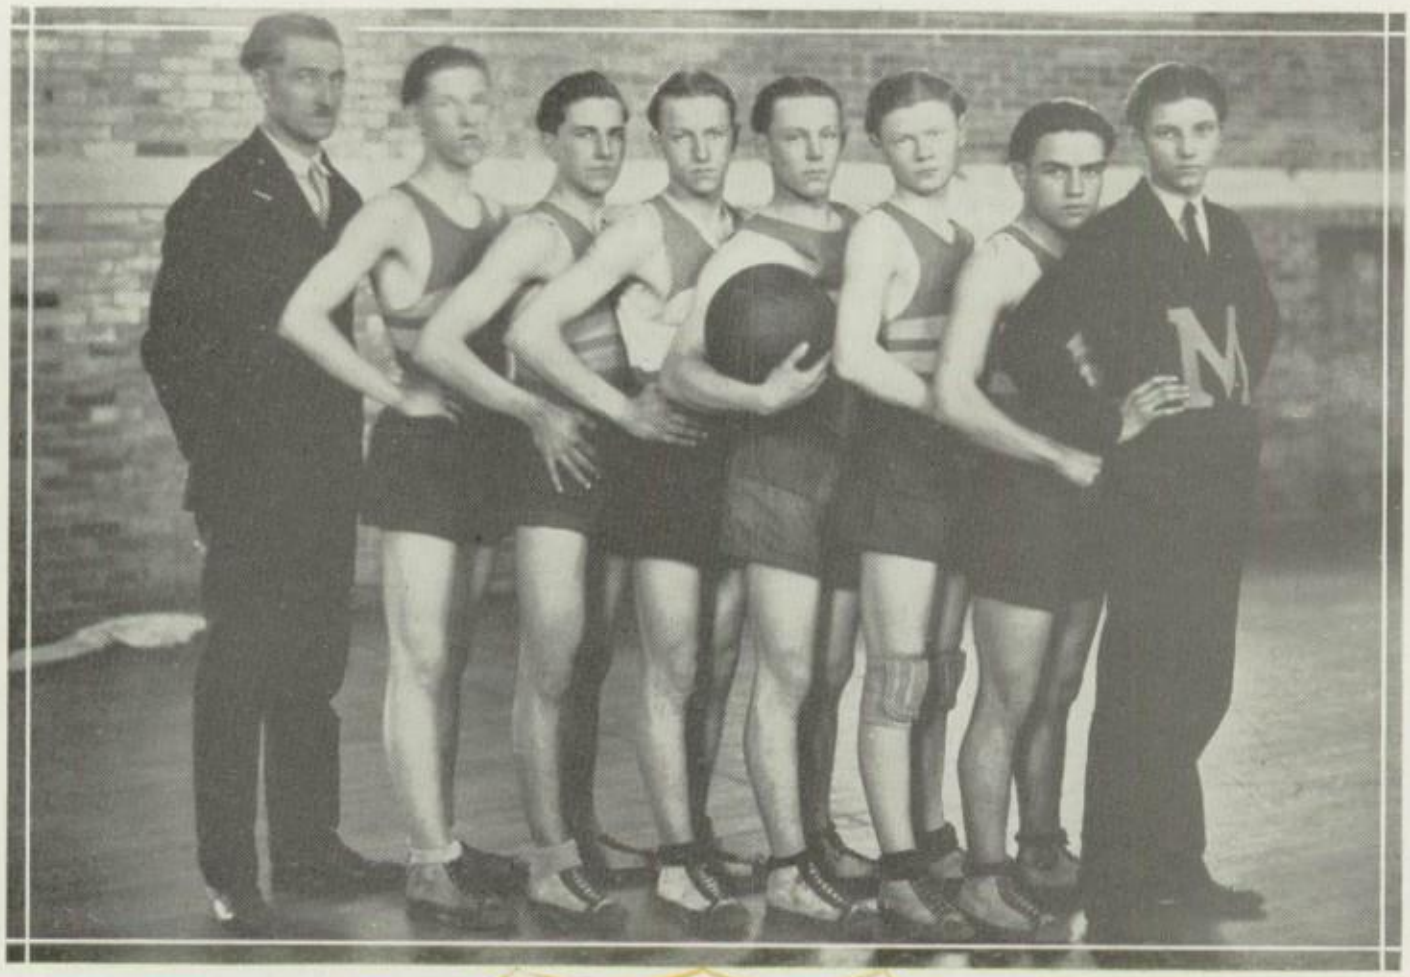
A large share of the credit goes to this rangy lad. He controlled the tip-off against practically every opponent, tied for high point scorer, and was a "bear" on defense. An ideal center, always trying. Points—135.

BEILHART, (Sr.)
(Right)

Got into only a few games. His first year in basketball. With another year would be a star but unluckily for Mt. Gilead there aren't any more. Points—0.

SQUAD

SECOND TEAM



Interclass Tournament

At the close of the interclass season, in which the Junior boys took the championship of the school, an interclass tournament was held in which 'varsity players were eligible.

The preliminaries of the interclass tournament were played Wednesday evening, the finals on Thursday night. In the drawing the Junior girls were matched with the Freshmen, while the Sophomores drew the Seniors. The Junior boys likewise drew the Freshmen, while the Sophomores were matched with the Seniors. In the first round the Juniors, with practically the complete varsity team, held the Freshmen scoreless from the field, while they were running up a score of nine points. The final score being 9 to 2. In the second game the Sophomore boys proved their superiority by defeating the fast Senior team by a decisive score, 18 to 6. The third game was won by the speedy Sophomore girls who defeated the Seniors 6 to 0, thus assuring both Sophomore teams a chance in the finals. The Juniors had a hard time nosing out the Freshmen in the fourth and last game of the day, "Whitey" Jensen was running wild and made eight of the thirteen points made in the first half. The score at half time was 13-13. Had it not been for the fact that Clark was loose time after time under the basket, the Freshmen would very probably have been in the finals. In this game the younger Freshmen drew much applause for their speedy and accurate passing, their worst weakness being their shooting.

The first game to be played on Thursday night was the consolation game between the Seniors and the Freshmen, the Seniors winning by a score of 18 to 12. In this game, as in their first appearance, the Freshmen worked very nicely, Jensen, Thompson and Zolman playing in a very good manner. The Junior girls won the second game and the championship by defeating the Sophomores, 9-3. The Sophomores greatly missed their star guard, Mabel Ray, and seemed lack in pep which they exhibited in their Wednesday's appearance.

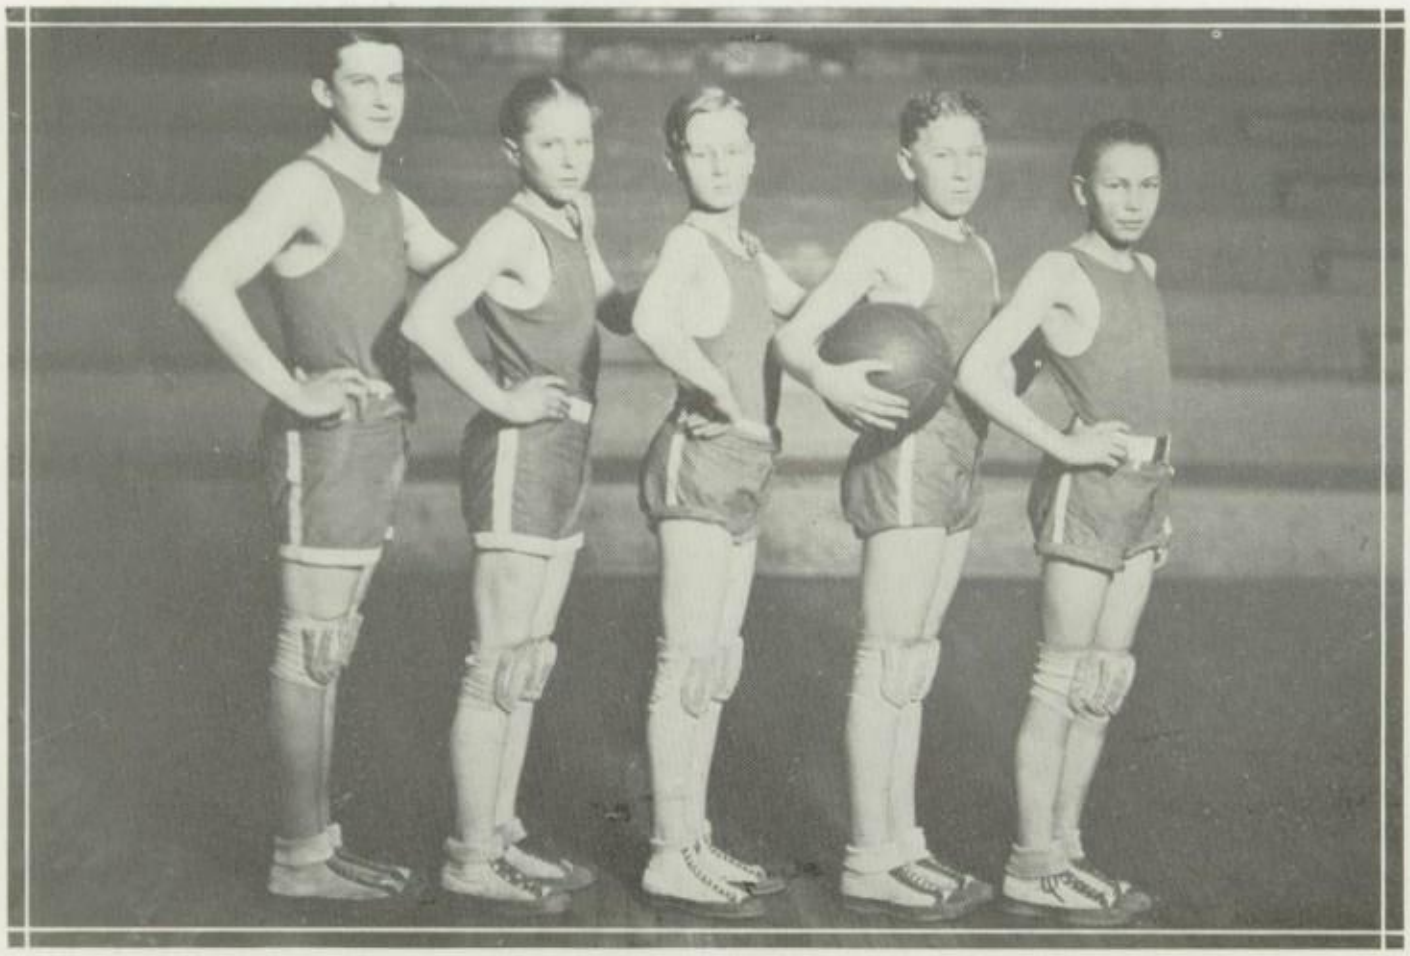
In the final game of the tournament the Sophomores decisively defeated the fast Junior team 20-9, Clark being held to one lone basket. Time after time the Sophomores broke through the Juniors defense and rang the hoop for basket after basket. The Juniors, who have all year worked against the varsity, could not solve the passwork of the Sophomores, and time after time McFadden and Buckmaster broke loose under the basket. McFadden worked very nicely with the rest of the team, and, although he scored but three points, passed very well and was always there when needed. Wieland, at guard, was one big reason why the Juniors scored only nine points, as he played a great game. His man, Lee, scored two baskets, both long ones. Duerr, who played the last half at guard, held Clark scoreless, and played a great guarding game. For the Juniors, Lee, Clark and Fate led in the scoring, while Beilhart and West played a steady game at guard. Shipman at center, played a very steady game and had hard luck in shooting, missing several easy shots.

In every way the tournament was a decided success and it is hoped that it will become an annual affair.

Buckmaster was high point man of the tournament with twenty points, while Clark was a close second with nineteen.

OSCAR MCANALL

"Fuzzy", one of the most loyal members of the Senior class, was chosen basket-ball manager. He showed his skill and efficiency in the way in which he handled the team. When it came to the job "Fuzzy" was always there. The team could not have had such a successful season had it not been for "Fuzzy's" assistance. He was also chosen track manager this year. In addition to this work he assisted in directing the interclass athletics, and in other ways qualified as an able "right-hand man." We wish him the best of success in his future activities.



Junior High Basketball Team

TEAM:—Zolman, Jensen, Stevens, Makeever, Capt. White.

Our best game of the season was probably the second game with Iberia, here. Every player was at his best because we had practiced from the first of the season.

Our signals and pass work were a great help to us in our scoring. There was a noticeable improvement in our playing after the first game. This we attribute to our coach, Mr. Zulauf. Results of the season are as follows:

Dec. 7—Mt. Gilead, 25; Iberia, 26—there.
Dec. 19—Mt. Gilead, 22; Iberia, 16—here.
Jan. 3—Mt. Gilead, 11; Cardington, 14—here.
Jan. 12—Mt. Gilead, 30; Edison, 35—there.
Jan. 19—Mt. Gilead, 15; Chesterville, 25—there.
Jan. 24—Mt. Gilead, 17; Sophomores, 12—here.
Jan. 28—Mt. Gilead, 21; Sophomores, 19—here.
Jan. 29—Mt. Gilead, 21; Seniors, 16—here.
Feb. 8—Mt. Gilead, 14; Delaware, 15—here.
Feb. 25—Mt. Gilead, 12; Chesterville, 13—here.
Mar. 14—Mt. Gilead, 9; Iberia, 10—there.

Women's Athletics

Squad

First Row: Ray, Osborn, Smith, Capt.; Bakes, Caris.
Second Row: McAnall, O. McAnall, Mgr.; Virtue, Wilson, Coach; Breese.

CHAMPS OF "24"

When the first practice was held a large squad of girls came out, which included four veterans, Mary Smith, Dorothea Caris, Louise Osborn and Eleanor Bakes. This aggregation with the addition of Mabel Ray made up the team which played most of the games.

A completely new system of offense and defense was introduced using the short pivot pass attack and five-man defense with gratifying results, the complete record of the season being ten games won, three lost, and one tied.

Girls

Mt. Gilead 10, Centerburg 8; Mt. Gilead 10, Alumni 1; Mt. Gilead 2, Richwood 15; Mt. Gilead 11, Iberia 4; Mt. Gilead 9, Fredericktown 7; Mt. Gilead 10, Centerburg 8; Mt. Gilead 4, Ashley 11; Mt. Gilead 7, Crestline 7; Mt. Gilead 2, Bellpoint 9; Mt. Gilead 5, Fredericktown 3; Mt. Gilead 17, Cardington 2; Mt. Gilead 6, Iberia 2; Mt. Gilead 5, Crestline 3; Mt. Gilead 26, Independents 5. Total—Mt. Gilead 124. Opponents 85.

MARY SMITH, Capt.
(Left)

Playing her last year of high school Basketball she led the team in scoring. In only three games was she stopped and all those games are in the defeat column.

ELEANOR BAKES
(Jr.) (Right)

Shifted from guard to forward she justified the move by playirg a great floor game, constantly "feeding" the other forward for short shots, and occasionally "sink'ng" a long shot by way of variety. A potential "great" for next year.

LOUISE OSBORN
(Jr.) Center (Left)

A true "pivot." Much of the credit goes to this dependable center, strong on defense, she could be depended upon for several baskets. Developed greatly during the season and should be better next.

DOROTHEA CARIS
(Jr.) Guard (Right)

The team should have been handicapped by the lack of size of the guards. However it was not. Few forwards were able to elude this little guard who shamed a postage stamp when it came t o sticking. She has another, and possibly better year. We'll be satisfied with one just as good.

MABEL RAY, (Soph.) Guard (Left)
Playing her first year, developed into a star. A great defensive player she handled the ball well and worked well in the offense. Feared and respected by her opponents.

ELIZABETH McANALL (Sr.) Forward (Right)
Subbing for Captain Smith, Betty played in but few games. A faithful substitute.

MARY ALICE VIRTUE (Soph.) (Left)
A star in the making, and should take the place left by Mary Smith.

ELIZABETH BREESE (Jr.) Guard (Right)
A strong, aggressive, dependable guard. Should show up well next year.

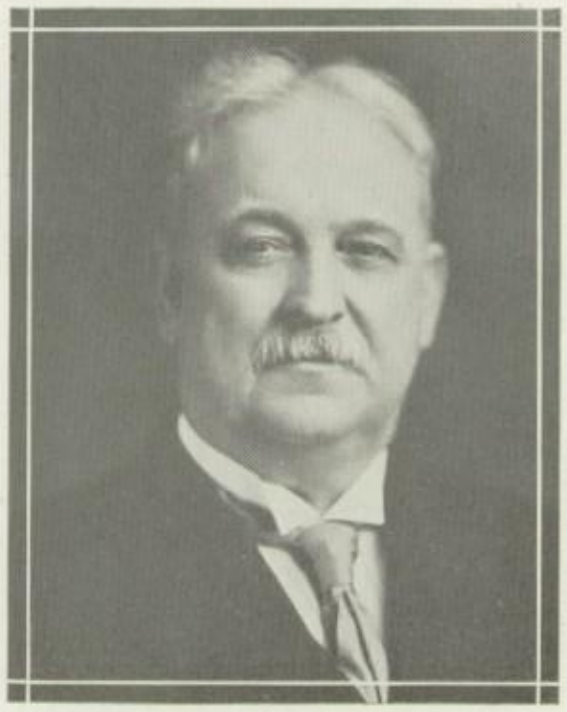
MIZPAH



It has been Dr. Ricketts' custom to give medals to the Honor Students in the schools. This year he is giving them to the students of the Mt. Gilead schools. To the Honor Students of the grades he gives a bronze medal; to the first three grades of high school he gives a silver medal while to the Honor Senior he gives a gold one.

The students of the Mt. Gilead schools wish to thank him for the interest he has taken in their obtaining an education.

HONOR STUDENTS

Ruth Griffith, First Grade
Marion Felch, Second Grade
Mary Ellen Howard, Third Grade
Janet Fate, Fourth Grade
Xantha Long, Fifth Grade
Harry Lazear, Sixth Grade
Jeanette Weiland, Seventh Grade
Robert Byrd, Eighth Grade
Paul Hiskey, Freshman Class

Junior

JUNIOR STAFF

The Junior Class of '24 have ably and proficiently carried on the work of editing a high school paper which was begun by the Junior Class of '23 under the direction of former Superintendent W. O. Moore.

The paper was somewhat larger this year and was at first published twice a month but was later made a monthly publication.

The Junior staff deserves much credit for the well written subject matter which the little paper has contained throughout the year, in fact it has been so excellent that the Seniors have used many of the write-ups in their Annual, the Mizpah.

Signum

STAFF

The first number of the Signum appeared March, 1922—"pridie Idus Martias", sponsored by the Junior class, with Clarence Cramer as editor-in-chief, Rudolph Robinson as printer and the following staff: George Higgins, Eileen Pierce, George Hart and Josephine Richardson from the Senior class; Jean Purcell of the Juniors, Gale Bachelder of the Sophomores and Elizabeth White and Helen Munk from the Freshmen.

The "printer" together with the editor-in-chief laboriously, and with much burning of the midnight oil produced the first two numbers, small four-page sheets, upon the typewriter. The other two numbers of that year were printed on the multigraph in the office of the Hydraulic Press Mfg. Co.

In the year 1922-23, the Senior class having started the publication, continued it under their direction, Cramer remaining editor-in-chief. The Hydraulic Press Co., again courteously offered the use of its multigraph, and four numbers were issued.

This year the five members of the Virgil class took charge of the work and have produced three papers, interesting, if for no other reason, because of their variety of style. The first one of three large pages was beautifully "hand-made" on the typewriter by the editor-in-chief, Helen Smith, and two other members of the staff; the second one consisting of four pages was printed on the mimeograph of the Farm

(Continued on next page)

Clionian and Philomathean

Three years ago the Senior high was divided into two Literary Societies, the Alph Omega and Philomatheans. The next year the two societies appeared under different names, the Clionians and Philomatheans, which were still retained this year. Excellent programs have been given by both societies. At the end of each year the two societies compete for the cup which was donated by the Parent-Teachers Association. Last year the Clionians won the cup. The officers of the Clionian Society are:

ROBERT BEILHART ..... *President*
MARY SMITH ..... *Vice-President*
MILDRED WHITNEY ..... *Secretary*
WILLIAM JENNINGS ..... *Treasurer*
ELIZABETH WHITE ..... *Critic*

The officers of the Philomathean society are:

HELEN SMITH ..... *President*
GALE BACHELDER ..... *Vice-President*
RUTH MATEER ..... *Secretary*
RALPH FOWBLE ..... *Treasurer*
ELIZABETH BREESE ..... *Critic*

The Signum *(continued from preceding page)*

Bureau office; while the third came out in gray cover with design showing standard and motto, drawn by Ruth Smith and a drawing by Mary Ellen Jago illustrating the "listening in" column, and was printed on our own new high school mimeograph by Mary Smith.

The Signum has acquired quite an exchange list and has attracted favorable notice. It still maintains its standard of production entirely in Latin, and has, we hope, made a permanent place for itself in the high school.

Music

Quartette

The Mt. Gilead High School is very proud of possessing a Male Quartette. This musical body has been awarded much praise. The quartette appeared at the Junior-Senior Banquet and will probably appear at the Senior Class Play. The members of the quartette are:

KENNETH WILSON ..... *First Tenor*
EARL PINYERD ..... *Second Tenor*
CHAUNCEY TERRY ..... *Baritone*
"COACH" W. W. WILSON ..... *Bass*

Orchestra

One of the most active and useful organizations in our schools this year was the orchestra.

Members of the orchestra were taken from the grades, Junior high school, and Senior high school. Practice was held with great interest twice each week.

At least once each week the orchestra appeared and played before one of the schools. The first public concert was given on April 23. Both were largely attended and greatly appreciated. The orchestra was always received with eagerness on the part of its audience.

Both Miss Seitz, our director and the members of the orchestra very much regretted the coming of the end of our school year which caused the practice hours to cease.

The members of the orchestra were:

Violins: Helen Hedrick, Emma Royston, Robt. Byrd, Oliver Kerr, William Spidell.
Clarinets: Edward Stevens, Paul Worthington, Russell Dye.
Cornets: Howard Jensen, John Mathews, Herbert Mathews.
Saxaphones: Neil Angel, Richard Wagner, Robert Lockeridge.
Alto Horns: Ralph Stevens, John McAnall.
Drums: Ralph Bending, Robert Heiby, Alfred Crock.
Piano: La Donna Heiby.

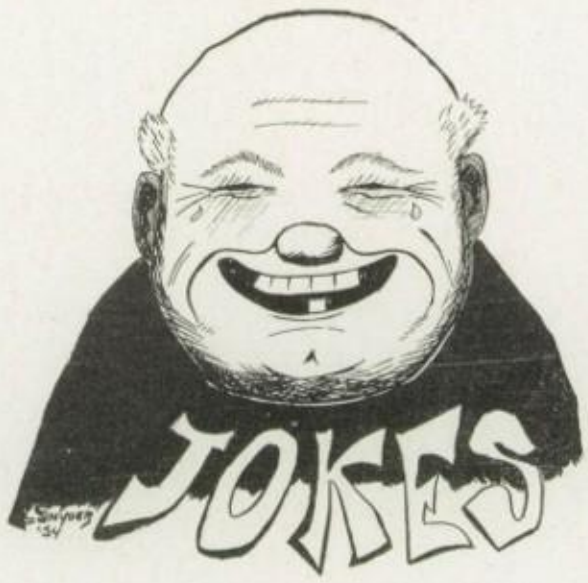
For You To Think About
They might not need me,
Yet they might;
I'll let my heart be just in sight;
A smile as small as mine might be
Exactly what
—Emily Dickinson



Evelyn Loren—Ruth Mateer said that she wouldn't kiss anybody.
Buck—I know it. She's awfully particular.

Harry Hull—Who was the first bookkeeper?
Pinyerd—"I'll bite.
Harry—Eve, with her loose leaf system.

Miles Shipman—What makes the red spot on your nose?
Red Crawford—Glasses.
M. Shipman—Glasses of what?

Mrs. Smith—Mary, aren't you getting too big to play with the boys?
Mary Smith—No Mother, the bigger I get the better I like them.

Buck—Wanna ride home with me?
Cocky—Yeah.
Buck—Where's your car?

"I'm all set" said the sun as it disappeared over the horizon.

Miss Ashwell—Why should we read present-day literature?
Red Murray—So we can appreciate the parodies.

Lyle Snyder—I'd like to see something cheap in a felt hat.
"Dutch" Miracle—Try this on. The mirror is at your left.

Miss Gardner (angrily)—Do you ever have a thought in your head?
Dutch Duerr (absently)—I haven't the slightest idea.

Miss Ashwell—I'll give you just one day to hand in that paper.
Buck—All right, how about the Fourth of July.

H. Beilhart—Where are you going in such a hurry?
Fate—Nowhere.
Harry—Then what's your hurry.
Fate—I gotta get there.

Merwin Breese's idea of a soft job is that of assisting a florist to pick the flowers off the Century Plants.

WORLD'S LARGEST EXCLUSIVE
BUILDERS OF
High Pressure Hydraulic Presses
Pumps and Valves

H. P. M. Presses are known to engineers all over the world. They are used on every continent and in nearly every country. Takamine Laboratories in Japan use an H-P-M HIGH PRESSURE HYDRAULIC Asbestos Shingle Press giving a pressure of 1500 tons per square inch. Swift & Company use H-P-M HIGH PRESSURE HYDRAULIC in their packing houses both in the United States and in South America. Some of these presses exert 1500 tons pressure per square inch.

To attain a world-wide sale of its products over a period of years is a great achievement for any company but a greater one for the community of which it is a part.

TOUCH-DOWN!

THE CRASH of the lines—the halfback knifes through—the goal posts beckon—but tacklers threaten still.

That's the time for interference—for the diving smash that crumples the would-be tackler, and clears the field for the flashing runner with the ball. The stands rock with the shout of victory. Touchdown!

Election to the annual staff is only reaching the line of scrimmage. Your task has just begun. Burly figures stud the field to trip you, smother you, drag you down. Problems, tangles, discouragements!—but the goal can be reached—if you have good interference.

That's our job. You take the ball—we'll take out the tacklers. And we'll stay with you till the last white line is crossed and the crowd is hitching your name to a booming skyrocket.

Put Stafford on the team. Call 'em, quarterback. Let's go.

29—Alumni banquet.

AUTOGRAPHS

Acknowledgement

As we come to the last page of the book and realize that our work on the Annual is nearly completed and that we shall never have another opportunity of expressing a few of the more important appreciations that come to our mind when we consider the 1924 Mizpah and the process of being compiled, we would in our exceedingly humble way attempt to give a little credit where it seems due.

First of all we want to extend a hearty vote of thanks to the Business men, our Advertisers, who have given us their support without which, it would have been entirely impossible to publish this volume.

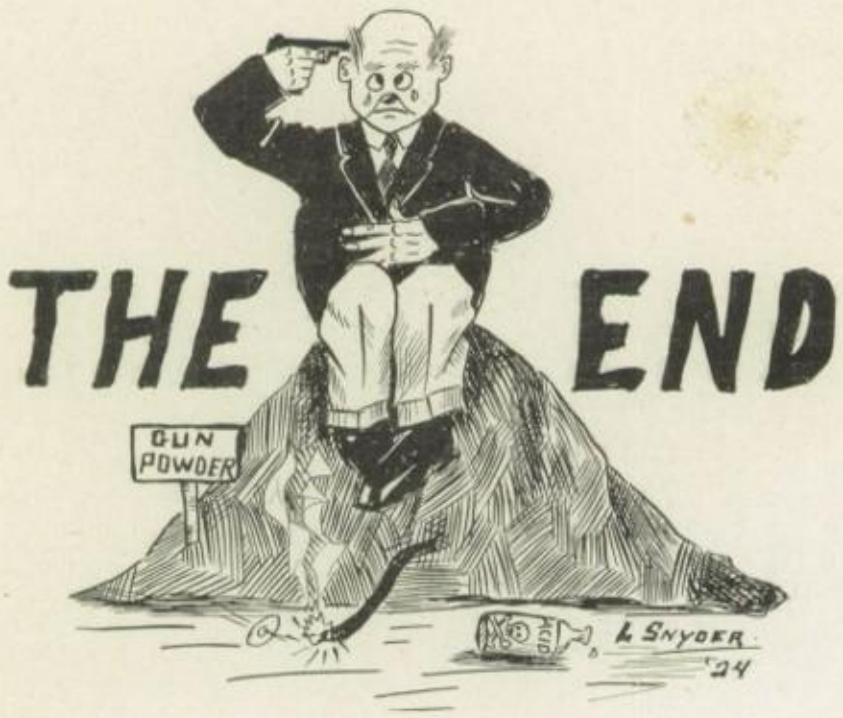
Mr. Lauffer, our Photographer, has given us the very best work possible, and in addition to this he has allowed the staff to use his studio as an office. For this we are deeply indebted to this unselfish man.

We feel that our task could never have been accomplished without the invaluable assistance of our Faculty Advisor, Mr. P. E. Arnold, and our Censor, Mr. W. W. Wilson.

To the Art Editor, the Assistant Editor, the President of the Class, the Advertising Manager, the Assistant Business Manager, and to Vaughn Hull, the man who so faithfully kept up the Calender, we wish to express our deep gratitude.

To all who have in any way contributed to the making of the Mizpah we therefore extend out heartiest thanks.

THE EDITOR
BUSINESS MANAGER.



MIZPAH

The Lord watch between me and thee
when we are absent one from another

—Gen. 31:49.

Through all the years may "*Mizpah*" be
A beacon bright 'twixt thee and me.
